

Dark Moon Rising

11th Dec 2023

[AUDIO VERSION](#)

In my last message, I spoke about the light-bringers rising, and how those who carry light and revelation truth within them are rising, even as dense darkness is rolling out in the earth. If you've been with me for some time, you will know that I refer to the year 5784 as the Morning Watch Year, having been given a pattern by the Lord about 4 or 5 years back to consider each year as being a watch in the night. And we've now come to the morning watch. A watch of the night is three hours long, and if a watch of the night corresponds to a year, the Hebrew year has 12 months. Now the Morning watch has

three parts - astronomical, nautical, and civil twilight. So, the year of 12 months is divided into three parts, which each have four months. Now, the Early Barley Calendar followers are coming to the end of the month of Tevet, which is the fourth month of the year 5784. Tishrei, Cheshvan, Kislev & Tevet make up astronomical twilight. And so as Tevet finishes and the next month begins, we are beginning nautical twilight. This is the evening of the 11th of December. It is the beginning of the 27th of Tevet on the early barley calendar. The Hillel calendar is in Kislev, and because they do not go by the sighting of the new moon, they are two days ahead, and they are on the 29th of Kislev beginning tonight, so they are celebrating Hanukkah.

Now, something I found extremely significant is that the COP 28 Conference in the UAE has been taking place in the last two weeks of Tevet, and it will finish tomorrow, the 12th of December. I found that extremely interesting, because we all know that that conference is tied in to the ushering in of the New World Order and the emergence of various forms of rules and regulations - ostensibly to save the planet and preserve it for future generations, but which are in fact going to bring extreme control on the world population and end up with the persecution of anyone that doesn't cooperate with what they are instigating.

King Charles opened the COP 28 Conference with a speech, and the last sentence of his opening speech was this:

"The earth does not belong to us. We belong to the earth."

Now that sounds very noble and sort of climate-friendly, but it's an absolute lie! The truth of the matter is:

The earth belongs to God and we belong to Him.

You can find that written in the Word of God in Psalm 24:1, Psalm 50:12, and 1 Corinthians 10:26. '*The earth is the Lord's, and the fullness thereof*' or the 'pleroma' thereof, it says in the Greek.

So, as you will know, if you have been around for some time listening to my messages, astronomical twilight is a time when it is very dark in the earth. It's almost the same

amount of darkness to the natural eye as there is at midnight, and then during nautical twilight, the sun has crept closer to the horizon and so light starts to spread across the sky, although on the earth everything is still in darkness. So, you get the effect of a dark silhouette against a light background sky that becomes increasingly light. So, it's very significant that the Cop 28 Conference comes to completion just at the juncture where astronomical twilight goes into nautical twilight. It is no coincidence. After the end of astronomical twilight, false light will begin to spread in the earth realm as never before. But right now, during the Cop 28 Conference, there is the impartation of false light from the mouth of the dragon to the dragon's mouthpieces, and after leaving the conference, they will go back to their various nations and begin to spread the dark light.

On the 1st of December, the day King Charles gave the speech in which he said, "The earth does not belong to us, we belong to the earth", I was having my quiet time, and at the corner of my vision I saw a pale, transparent, whitish female figure, kind of wispy and not easily discernible, but I knew that it was a woman. At first, I almost thought it was an angel, but then the Lord reminded me that all His angels that are recorded in the Word are men. And then the Holy Spirit said to me, "Beware Aurora's minions sidling up at this time" and He prompted me to read the chapter on Dark Light in my Book of End Time Light. So, as my books are freely available on my website for download, I would suggest you go there and download that Book of End Time Light (If you haven't already read it) and read the chapter on Dark Light. I am going to just read a small portion for you from the book, to explain the concept of nautical twilight.

What the Holy Spirit said to me was that nautical twilight is a very dangerous time. That is the time we are entering into now. The new moon will probably be sighted on Thursday or Friday night, and that is when officially nautical twilight in the Morning Watch Year begins. There is the problem of true versus false light during nautical twilight, and the enemy would like to lead the remnant astray at this time.

This comes from the Book of End-time Light, and it is the explanation of nautical twilight: *'During nautical twilight, one can discern shapes on the horizon, but not features. Everything is in shades of black and grey. This means that one can see the outline of a man in front of you, but are not able to discern whether this person is friend or foe, as you cannot make out the features. Some people who have journeyed with you through your night watches may have sounded like friends as they whispered soothing phrases*

in your ear, but when more light comes, you will discover that they have, in fact, been an assignment from the enemy to lead you off track.

Nautical twilight is when military attacks are usually launched on the enemy camp. Usually, the enemy is sleeping and the guard who has stood watch all night is very tired and not alert. Soldiers can see enough to get their bearings and move into position quietly. This is the time when God is setting in place His mighty warriors. It is a time when you are moved by the Spirit's direction from within, but there is no sound or sight externally for confirmation that exposes your surrounding and your positioning. Only the highly trained, already enlisted and deployed troops move at this time. People are not aware of what Heaven is silently doing while the world slumbers.

It is, however, also the time the enemy is quietly bringing his agents of attack into your sphere. Be alert and aware, asking the Spirit to show you your enemy lying in wait for you. During nautical twilight, the horizon is clearly visible, but artificial light must be used to see terrestrial objects clearly. This is a very dangerous time for the saints, who have been through a long night of lonely trial. Do not be tempted to switch on an artificial light if you cannot make out anything except a vague shape in front of you. There is a demonic principality called Aurora, the goddess of the dawn, who counterfeits the true light of the Sun of Righteousness. Her other name is Lilith. She is connected to militant feminism and much depravity, including sexual intimacy with humans, and will attempt to bring demonic light to bear at this time. She will push you to take up your rightful position by force, to demand honor and recognition and your rights as the anointed of God. This is not the nature of the Lamb. We follow the Lamb where He leads, not the dragon.

Twilight is called sweet light by artists. Make sure you are sourcing your sweet light from the Sun of Righteousness and not the demonic goddess of the dawn. Take communion daily and decree that you will receive no other light other than the true light of the Lamb, who is the only light of the heavenly Jerusalem. Beware of the false prophetic at this time. Try to stay away from prophetic sites, because, during nautical twilight, it is not yet clear if they are prophets of Baal who have been eating at Jezebel's table or not. Rather, wait in the inner chamber for light from the Spirit of Truth. Rather, devour the Word and let the Spirit of Truth lead you into all truth. The church at Thyatira, which means 'odor of affliction', are given the morning star if they overcome Jezebel. And

that's in Revelation 2:20. Be patient, wait for God to bring you more light from the Sun of Righteousness, Who is rising and coming towards you beyond the horizon. He may not be in full sight yet, but He is sending you rays of light and revelation to show you what is already standing in front of you. Wait. Do not embrace anything in front of you during this period, because it vaguely looks like the shape of a friend. It may turn out to be an enemy when the sun rises fully. Hold your peace and wait for the entrance of His Word to bring more light. God has you in a stall, as Malachi 4 describes, until the day has dawned, so that you can clearly discern between the righteous and the wicked.

Nautical twilight is the time period when Ruth received her six measures of barley and left the threshing floor before one could recognize another. There is a measured portion waiting for you at the feet of the Bridegroom. Spend your time getting your mantle filled while others sleep...'

So that's just a background explanation of what nautical twilight is about, spiritually and prophetically - and that is the season of the Morning Watch Year that we are entering into round about Thursday or Friday this week. So, it's very pivotal that the COP 28 Conference is drawing to a close at this time. It's actually ends tomorrow, 12th, when there is going to be the confirming of some sort of covenant with the earth, under the direction of King Charles. What I found very interesting when I investigated is that tomorrow night is a dark moon. In other words, it's going to look like there is no moon to the natural eye. I found out something interesting about the dark moon. It says in Wikipedia that the phrase 'the dark moon' is a term used for a waning crescent moon, and it is called 'the old moon' in Greek and associated with Hecate. In India, it is associated with Kali. Both these goddesses have a dark connotation, hence the terms 'dark moon'. So, Hecate was that ancient Greek goddess that is usually depicted holding a pair of snakes. She is associated with crossroads, entrance ways, witchcraft, the moon and the underworld. Kali, on the other hand is the goddess associated with death and destruction. How very interesting that on the day when the dark moon rises, the COP 28 Conference comes to an end. And then some form of covenant or agreement with many is confirmed...

So now I want to share with you two prophetic words that the Lord has shared with me in the last ten days or so. Bear in mind that the last message I shared was about true light rising; the army of the Dayspring, but now the Lord is also warning us that there will

be false light releases from the dragon's mouthpieces. On the Sunday 10th December, I heard the phrase **"The lion's whelps of Judah are rising"**. Now that is a connection to Genesis 49:9 It says *'Judah is a lion's whelp. (For those who don't know, a whelp is a young lion, a cub). From the prey, my son, you have gone up. He stooped down. He crouched as a lion and as an old lion, who shall raise him up?'* So, the phrase 'you have gone up' also means 'you have ascended' or 'you have arisen'. And the Holy Spirit said to me, "the lion's whelps of Judah are rising". Jesus came from the tribe of Judah. So, I think it is speaking about the manchild company rising.

I then saw the Tribe of Gad rising with their armor on, getting ready to cross the Jordan. If you remember, Gad chose land on the wilderness side of the Jordan to settle, and Moses said that was all right, as long as they went across the Jordan with their brethren in order to help their brethren to possess the land that had been given to them. So, the tribe of Gad was a tribe of warriors and they were crossing the Jordan in order to take possession of the Promised Land and to help their brethren. And this is what the Lord said to me:

"The time of moving over has come. Your familiar wilderness will now become a distant memory. Change, change, change. And the path to the Promised Land of inheritance is the Jordan."

Then the Holy Spirit reminded me that the word 'Jordan', or the name 'Jordan' means 'to descend, to go downwards, to go lower'. And He said, **"You have descended from the world and its ways, become familiar with My hand of provision and My guiding presence in the wilderness of preparation. Now descend further. Descend, and be conformed to My death, that your feet may alight on the sand of the Promised Land with resurrection power. Only those conformed are raised. Only those who set their eyes like a flint upon My will and My way access resurrection power"**.

And even as I was hearing that, I knew the Lord was connecting it to the chapter where Paul said, *'my determined purpose is to know Him ever more clearly, that I may share in His sufferings and be conformed to His death, that if possible, I may attain to the power of the resurrection even while still in the body.'* I think it's Philippians 3, is it? Not quite sure. Then the Holy Spirit reminded me how Solomon in 1 Kings 1 was named as a

successor by King David, who was old and lying in bed, about to die. And Solomon descended to the Gihon Spring and received his anointing for kingship, even while Adonijah, his older brother, was taking possession of the throne, having sacrificed at a specific stone called the stone of Zoeth or something, which means 'serpent'. So, there's a connection to witchcraft there. Solomon was descending to the only source of living water in Jerusalem; the Gihon Spring, even while his older brother tried to take the throne by force, through witchcraft. The Holy Spirit said:

“The ascension from the place of consecration and anointing for a man of My choosing is an ascension to pain, betrayal and division amongst his nearest and dearest. While you are in the place of descending to Gihon, the false light, is proclaiming its rightful possession of all that heaven has appointed you! While you bow your head and allow the oil of consecration to saturate your garments, the sound of counterfeit rejoicing is echoing in the high places of the land. You are entering a time of great deception, a time when truth is trampled in the street and evil is obsessed with flagrant boasting of its virtue. Vileness will be exalted amongst the sons of men, and those who remain holy to Me will stick out like sore thumbs against the bestial behavior of the masses. Cling to the light and flee the darkness. Rehearse My deeds and My words, and stay yourself upon My faithfulness.

My Word is settled forever in heaven, and though the printing presses may come up with worse and worse perversions of what is really written, this does not change what rests in eternity. You are sons of the light and sons of the day. I know those who are mine. Do not fear the baying of the demented and the demon possessed. Your days are written in My book and no one can snatch you out of My hand. Wash yourselves - the water of My Word is available, and cleanse yourself in the contamination that even pervades the atmosphere in these days. You have access to living waters. Avoid the pollution of pulpits that disregard My will and My standards. The plumb line of righteousness has not shifted, even though men seek to use My Word to justify their abominations. Seek light, the true light that came into the world. Seek My face and My presence, and let Me shelter you beneath My wings. My angels have charge of you. Seek only to please Me. I am God and there is no other.

Your eyes will see things that history books have deliberately omitted from their records. Darkness will manifest in many ways and forms, and seek to deceive those who serve Me. Pray for sharper vision and greater discernment between evil and good, for many will masquerade as angels of light as they emerge from the twilight zone. Always seek the guidance of My still small voice. And when I say “flee”, do not hesitate and deliberate. I see what you cannot see, and I will protect My own as they heed My warnings.”

That was the end of what the Lord shared with me on Sunday, and then this morning, I said to Him, “Lord, what would You have me share this week?” And He immediately began to speak:

“There is darkness coming that presents persuasive arguments as to the light and right of its cause. These are words of men's wisdom, which is foolishness in My eyes. Worse still, demonic coaches prompt their players from the wings as they walk out their path in the production. Hell's holiday presentation, laced with the wiles of the Spirit of Slumber, will be on offer in Royal crested crystal - and any saints who sips these lies will find themselves lulled into a sense of security and sleep. “Peace, peace,” they say, but war is on their hearts. “Peace, peace” they mouth, while plotting destruction and takeover.

Green is not the cause that heaven rides for, and the blood-soaked garment of the riding Word and His troops does not come to save the earth, but to execute heaven's righteous judgments on all unrighteousness and all who call darkness light and evil good. Be sure you are marching behind the right standard, for the causes of men are not the causes of God. The path of the cross does not make men brash, boastful brawlers! Be found in the pattern of the Lamb that was slain, Who, for the joy set before Him, endured.

Angels have been sent to assist you, and all you need will be supplied at the moment of need. Seek My kingdom and righteousness, and do not be found amongst those who march and shout for causes hell has raised up. Now is the time to be found on your knees, interceding with tears for those on the brink of being lost, as they teeter on the edge of the abyss. Let the fear of God burn bright in your heart. And know that My eye is upon you always.”

Selah.

I just want to share some understanding that I received as I was hearing the words that the Lord spoke to me. When He spoke about the 'royal crested crystal', I had a sense that something that King Charles was going to present was going to produce this elixir that contained the spirit of slumber. So, it is definitely connected to announcements made at the end of COP 28.

The other thing was that the whole theme of true light and false light is very much. In evidence during nautical twilight and therefore be very cautious before stepping out and joining yourself to something or somewhere, without first hearing the inner witness from God's still, small voice. Any outward confirmations that you receive could be false light at this time, just as I saw that ghostly white, angelic looking woman, and the Lord warned me against 'Aurora's minions'. The enemy would try and get the remnant distracted, off course and connected and planted in the wrong places at this time. So, when you pray for direction, pray that all false light would be destroyed, and that only the true light from the throne of God would be received by your heart and by your understanding.

Also, there is the understanding that as we get into the middle of the morning watch year, that we are in the time when, the Antichrist is going to be openly revealed - most definitely by Passover. 2024. So we are also moving towards a time as the New World Order structure and government gets set in place. There is going to be greater and greater persecution breaking out towards those who truly want to serve the Lord Jesus Christ and nobody else. Be aware of this and prepare your heart for this.

I want to end with some scriptures from Philippians 1:20, Paul says, *'my own eager desire and hope is that I shall not disgrace myself or be put to shame, but that with the utmost freedom of speech and unfailing courage, now, as always, Christ will be magnified in this body of mine and boldly exalted in my person, whether by life or by death.'* And then in verse 27, it says, *'conduct yourselves in a manner worthy of the gospel'*. Verse 28, *'do not for a moment be frightened or intimidated in anything by your opponents, for such fearlessness will be a clear sign to them of their impending destruction, and evidence of your deliverance and salvation in Christ. For you have*

been granted for Christ's sake, not only to believe in Him, but also to suffer on His behalf.'

And then I just want to end with going back to what I shared in the beginning about hearing the phrase, 'the lion's whelps of Judah are rising', and then the Lord began to speak about King Solomon, and when he went down to Gihon, there was a traitor positioning himself on the throne. Solomon was one of the lion's whelps of the tribe of Judah, because David was of the tribe of Judah - and Solomon was David's son, so he was in effect a 'lion's whelp'. So, when the Lord said, "the lion's whelps of Judah are rising", He was speaking about a company that are descending to a place of the source of living water to receive the anointing of consecration for kingship. Consecration is a setting apart in holiness unto a purpose. And that consecration and anointing precedes the rising to the place of ruling, but with it comes the enemies, which are members of your own household and the persecution.

So, prepare your hearts, Beloved. Prepare your hearts for what is coming. Hold fast to the light, the true Light that has His home in your heart, and hide His Word which is light there. Seek always the confirmation of the still small Voice within. Don't seek for outward confirmations, because those can be false light, false signposts that are set up to lead you off the path where the Holy Spirit wants you to go. May the Lord guide and keep you, and when you stand at the crossroads, you will hear a voice behind you saying, "This is the way, walk in it", when you turn to the right and when you turn to the left. Amen.
