

# The Hybrid Wheat

## [The Hybrid Wheat - Audio](#)

I must say the Lord has had me really busy the last couple of days with the things He's been sharing with me. Yesterday evening, I went for a walk and I noticed a metal bottle cap pressed into the tar. It had a black ace of spades on it and I briefly wondered, "Hmm, what's that about?" And then the Lord immediately began to speak.

**He said, "It is the gravedigger's spade. This will be a year of much weeping. Sword, famine and pestilence will claim their victims, and many who succumbed to the poison will die. This year it will be a year of reaping what was sown in 2021 and 2022, and every family will be affected. Weeping will turn to wailing as the months roll by..."**

Obviously, when He was referring to the poison, it is the alteration of your genetics by having something introduced into your bloodstream and ultimately into your cells. (I'm sure you know what I'm talking about. I'm trying to avoid being censored because this message needs to go out). When I walked around again, I felt the urge to take a photo of the bottle cap. You can see it in the picture above. This time, I noticed there were words on it. I bent down and looked. It said 'Devils Peak'.

**And the Lord said, "Yes, this will mark the peak of his strength. The brief time of his rampage begins now."**

As I was recording it in my journal this morning, a vision appeared before my eyes. I saw a scythe reaping wheat. It was rising and falling as wave after wave of wheat was harvested. And strangely, as soon as it was harvested, the wheat was cast into the huge bonfire, instead of being threshed and put in the barn. I couldn't understand this. I said, "Why, Lord?"

**And He answered, "It is My righteous judgment's being unleashed".**

Then I saw a farmer's fields and there were different plots marked out with wheat growing in them. It all looked like wheat, but when I looked closer, I saw that each plot had a marker, a stake in the ground with a label. Each stake was driven into a particular section of the field to identify the wheat in that section. And I knew somehow as I looked at it that these stakes were marking different sections of hybrid (genetically modified) wheat. It was this that was being harvested and cast into the fire. So, I shared what I had seen on my walk with two intercessor friends, and both of them had received a Strong's number that day. (This is yesterday, Tuesday 31st of January). The first number was 585. In the Hebrew, it means 'groan, mourn and sighing'. The Greek of the number 585 in Strong's means 'manifestation'. The other number was 593 and the Hebrew 593 means 'to mourn, lament or sorrow'. The Greek 593 means 'to disapprove, reject', and it comes from a root word G575, meaning 'separation', which comes from a further root, meaning 'to test, prove and scrutinize, to see if a thing is genuine or not'.

Now, immediately as I recorded those numbers in my journal, I heard a scripture: '*Your silver has become dross*'. It's Isaiah 1:22, and the other half of the verse says, '*Your wine is mixed with water*'. So, when impurity is added to silver, it becomes dross and

can no longer be used. It's a different substance, the dross has a different DNA and releases a different frequency. Dross is usually what is removed from bulk silver so that what remains can be useful. And I had the sense that the hybrid wheat was being harvested and cast in the fire as a depiction of the dross removed from the whole harvest of wheat by taking out the hybrid, genetically modified, wheat in order to leave a pure wheat - or pure silver. Timothy says that we should purify ourselves if we desire to be a vessel of gold or silver, useful to the Master.

Now, I really had a strong sense that what the Lord was showing me was a very dire warning for those believers who in the past two years, for whatever reason, whether it was coercion, pressure from others, fear or ignorance, have partaken of the pharmakeia and introduced other forms of DNA into their systems and become genetically modified. This is a very strong warning. TIME IS RUNNING OUT. The Lord said to me when He showed me that bottle cap, that this is going to be a year of much weeping and wailing and mourning, and every family will be affected, including the family of God.

Isaiah 1:21 says *'the faithful city has become a harlot'*. Now when somebody is a harlot, seed other than that of her true husband has been introduced and she produces alien children. The Word of God says in the Amplified version, *'you have brought forth alien children'*.

*Hos 5:7 They have dealt faithlessly and treacherously with the Lord [their espoused Husband], for they have borne alien children. Now shall a [single] New Moon (one month) devour them with their fields.*

When a husband and a wife are intimate in the covenant of marriage, seed is imparted and conception takes place. Seed contains RNA, but if it is seed of any man other than her husband, she is guilty of harlotry. Harlotry and idolatry are synonymous. God calls His people harlots when they go into idolatry and serve other gods. I want you to go and read Isaiah chapter 1. I'm not going to read the whole of it, but I want to highlight verse 24, 25 and 28, the purging of the dross out of the wheat field. The purging of the wheat field in the earth is by fire. And it also says *'take away your alloy'*. Alloy is two different metals that are bonded together in a chemical bond. It's not like when you mix sand in water, you can just filter it out. An alloy is two metals fused together; two different metals, and the only thing that breaks that bond is extreme heat.

When the messenger RNA is sent into the nucleus of a cell, it splices itself into the genetic code of the cell and it becomes permanently altered. It is like taking two books and tearing the a page out of one book and inserting it into the other book and binding it in there - so that when the text is read in the book, there is foreign text that totally alters the meaning of the whole body of text in the book. Your DNA is a book or a scroll and, Believers in the Lord, if you have succumbed to this, (I'm not trying to make you feel guilty or heap condemnation on you, but you have to face the truth) if you have had one or more of these needles in your arm, with the substances introduced into your blood, you have effectively become hybrid. You no longer contain the pure genetic code that God gave you, not to mention what my Divine Image Destroyed series shared about the name of God being in the DNA and the splicing would have the effect of cutting out the name of God in sections of the DNA...

In Isaiah 1:30, it says, '*You shall be like an oak whose leaf withers*'. This is a description of what happens when foreign seed is introduced; when harlotry is entered into and blood covenants other than with your true spiritual husband, the Lord, are entered into, the life begins to wither out of you. Death creeps in bit by bit. And for those who know the side effects of this sorcery and pharmakeia that has been promoted (and is still being pushed in various places), it is a creeping death sentence. God has said to me yesterday that what was sown in 2021 and 2022 will be reaped this year by His people concerning this pharmakeia. Isaiah 1:31 says '*the strong shall become like tow*'. In other words, your strength will be sapped. You will become weak. This is because after two sessions of the pharmakeia, 75% of your immune system is destroyed. It says '*the strong will become like tow and become tinder and his work like a spark, and they shall both burn together*'.

The Scripture God gave me was Jeremiah 6:30.

*Jer 6:30 Men will call them reprobate and rejected silver [only dross, without good metal], because the Lord has rejected them.*

The Lord has rejected them because the silver has become dross. You can also read verse 10, 11, 12 and 21.

Now, these are hard words I'm speaking. They're not easy words to hear, especially if you are one of the people who believes that Jesus Christ is the Son of God and had surrendered your life to Him at one point... And now you find yourself in a position where you have partaken in these procedures. I pondered this and I said, "Lord, what about repentance? What about these things?"

And He showed me that the Devil's peak metal cap was pressed into the tar, and the tar had set around it, which meant that it was set in place. The Lord said, **"the judgment is set. It cannot be altered. The black spade will be seen moving frequently amongst My people"**. And I said, "Lord, is there no possibility for repentance for those who have taken this poison?" And He said, **"There is always possibility for repentance, but these people's hearts grow hard."**

And I said to him, "Lord, are you able to restore a person's DNA after messenger RNA splicing?" And He answered, **"Is there anything too difficult for Me? I am the God of the impossible, but the time of repentance is flying by a chaff in the wind"**. And then he referred me to Isaiah 1:18-20.

*'Come, let us reason together, says the Lord, though your sins are like scarlet, they shall be white as snow. If you are willing and obedient, you will eat the good of the land. But if you refuse and rebel, you will be devoured by the sword for the mouth of the Lord has spoken it.'*

The Lord said to me on that walk, as He was telling me that there would be much weeping and weeping would turn to wailing, that there will be many, many orphans worldwide. He said, **"Pray for their protection, for human traffickers lurk like sharks at the edge of the pool of tears, ready to snatch the defenceless. Pray for homes for these children. Pray for new parents. Pray for people to open their hearts to them and bring them under the shelter of their wings. Pray for the young and the orphaned"**.

So, this message has been very heavy on my heart since yesterday, Exceedingly heavy. And as I was driving today, the Holy Spirit began to sing a song through me, calling for those of His people who have had their DNA altered and entered into a blood covenant with the powers of darkness to repent. Now, I know some people preach that

it is the mark of the beast and it can't be changed, but according to what God shared with me today, **THERE IS STILL TIME FOR REPENTANCE**. His mercy and grace are so abundant, but He requires a broken, contrite heart. So I'm going to sing you the song that He sang through me, because I wrote down the words. I make no apologies for my voice, and I pray that for those of you who need to hear this, may you hear the voice. Of your Father speaking, because that harvest of hybrid wheat is going to be taken, and if you do not turn and repent your life will be reaped and cast into the fires of judgment because He will cleanse His field. He will have a pure harvest in the next season.

I also want to tell you that God confirmed this message with another podcast I listened to today. I am going to link that podcast underneath because, at the end of the message, probably at the one hour mark, there is a prayer that you can pray along with the person that is praying in order to repent if you don't know how to pray. They address every single issue that needs to be addressed in that prayer - but I encourage you to listen to the whole of that message as well, if you are in this category that you are Believer in the Lord and you have now had your DNA altered (or if someone you love has done so). So here is what the Spirit sang through me:

Return to Me, return to Me  
that you may not be lost.  
Return to Me, return to Me  
No matter what the cost.  
I call you to repentance.  
I call you to your knees.  
I call you now to weeping  
With this will I be pleased  
I call you to return to Me.  
Return to your first love.  
Return to Me with all your heart.  
I call you from above.  
There's nothing that's too hard for Me.  
There's nothing I can't do!  
When you repent with all your heart,  
My blood will make you new.  
Return to Me, return to Me.

There's little time to lose  
The scythe is poised for reaping.  
So, what is it you choose?  
Cast away your idols and repent of harlotry.  
Return with all your heart and soul.  
There's refuge found in Me,  
and though your sins are scarlet,  
return now to the Way.  
I'm giving you just one more call.  
Return to Me today  
I call you to repentance.  
I call you to your knees.  
I can do the impossible,  
if you will just believe.  
Return to Me.

*Psa 73:27 For behold, those who are far from You shall perish; You will destroy all who are false to You and like [spiritual] harlots depart from You.*
