

The Preparers and the Provision

[AUDIO VERSION](#)

Good morning, Saints.

I'm going to start with worshiping the Lord as it is happening in the throne room - and I'm taking what I'm saying from Revelation 4 and 5, where John describes the scene in the throne room of heaven. So, Lord God Almighty, I want to join my voice with the living creatures who say, *"Holy, holy, holy is the Lord God Almighty who was and is and is to come"*. I join my voice with the 24 elders who say, *"Worthy are You ,our Lord and God, to receive the glory and the honor and dominion for You created all things, and by Your will they were created"*. I join my voice with the many angels on every side of the throne who say in a loud voice, *"Deserving is the Lamb who was slain to receive power and riches and wisdom and might and blessing"*, and I join my voice with every created thing in heaven and on earth and under the earth and in the sea, and I cry out, *"To Him*

who is seated on the throne and to the Lamb be blessing and honor and majesty and power forever and forever. Amen”.

Now, I want to just say to you that I've mentioned many times that our theologies are going to be adjusted in the time ahead. So, what it is like is, if you remember a Rubik's Cube; you know that cube that has got nine little blocks on either side and you can twist it and turn it until you get all the colors aligned. Each one of those little blocks is a separate piece of revelation and understanding, but up until now, much of our end time understanding of how things are going to unfold has been jumbled up. We can see the separate little blocks, but most of us cannot - no matter how we try and reason it out, we cannot make them all go in straight lines and get all the white ones be next to each other. But I want to say to you that now we've entered a time where God is going to be giving the ability to so move around the scriptures and the pieces of revelation we have, until we have clear understanding; both the height and the depth, just like a Rubik's Cube is three dimensional, the three fold height and the three fold depth of understanding and wisdom of the Scriptures.

So, this is going to be quite a long message. You're welcome to have a coffee break halfway through. But I want to first speak to you about the preparers. There is a group of people that God has appointed to be preparers. And in Revelation 12, it says that the woman flees to a place prepared for her by God. Now, obviously, God uses people. So,

this place prepared, or these places prepared by God is by God working in and through individuals.

Jesus himself, before He ascended back to heaven, said, "I go to prepare a place for you". That's what He said to those who followed Him closely, His disciples. This is Bridegroom terminology. He was referring to preparing the bridal chamber attached to His Father's house, where He would bring his bride when He went to fetch her unexpectedly. So the preparing of a place referred to in Revelation 12 is also bridal terminology, and it is the mature son who is allowed by the father to build the bridal chamber. Normally, in ancient Jewish times, it took about a year... he would go away and start building onto his father's house and make a room, a chamber where he and his bride would live - in his father's house, but in their own private quarters.

So, there are those who have a heart aligned to the Bridegroom's, those who have grown to mature manhood. And these ones are entrusted with the task of preparing places for the woman or the bridal company to flee to, as described in Revelation 12. Heaven sees them as trustworthy stewards, who can be assigned blueprints, knowing they will be faithful to complete them in time. You know, these preparers who are appointed by heaven have been tried and tested in the previous season. So, God knows that they are faithful. God knows that they persevere. God knows that they die to self and keep pressing forward to be obedient to His will. And that is why they are given the honor of Heaven trusting them to prepare places for the woman to flee to.

Noah was also a preparer. He received a blueprint directly from God that was unlike anything men had built before. There was no precedent and no outward sign that it would even be necessary, because rain had never fallen before. And for years, Noah had to walk totally by faith, being led by the Spirit alone, to fully prepare an ark for the remnant of eight. And he was mocked by the wicked people around him the whole time.

In the same way, these preparers will be misunderstood by those around them. People will say they've gone over the top, they've become radicalized. They listening to demons, they just out of touch with reality. They will be rejected and scorned by many for the choices they've made to follow the blueprint directly handed them by heaven.

One such prepared place that is recorded in the Word is Mahanaim. David and his household were fleeing from a death assignment issued by his own son, and they crossed the Jordan by the end of the morning watch and went to Mahanaim. So, Mahanaim is a prophetic picture of the end time refuge (probably plural), assigned to be made ready by the preparers, preparation for a time of the end time persecution which will be unleashed - where your enemies will be members of your own households and children will betray parents, etc. You remember Jesus spoke of that. This will not only be our natural families, but this persecution will come from people we have walked together to the House of God with. They will turn up the heels against you. And as David records in many of the Psalms. David first fled from Seoul and then he fled from Absalom. So, David is the one through whom God reveals to the woman in the end times what the fleeing will be like, and what the refuge that is prepared will be like.

2 Samuel 17:21 After they had departed, the boys came up out of the well and went and told King David and said, 'Arise and pass quickly over the River Jordan for thus and thus has Ahitophel counseled against you". David arose and all the people with him and passed over the Jordan.

Ahitophel used to be David's trusted counselor, and he defected to Absalom. Some people just want to be connected to those in power, and there's going to be many that we've trusted in the past to give wise counsel that are going to defect and become part of the mouthpiece of the dragon.

2 Sam 17:22 So David arose and all the people with him and passed over the Jordan, and by daybreak, not one was left who had not crossed. Then David came to Mahanaim. And Absalom also passed over the Jordan, he and all the men of Israel with him. ...v 27 And it came to pass, when David was come to Mahanaim, that Shobi the son of Nahash of Rabbah of the children of Ammon, and Machir the son of Ammiel of Lodebar, and Barzillai the Gileadite of Rogelim, 2Sa 17:28 Brought beds, and basons, and earthen vessels, and wheat, and barley, and flour, and parched corn, and beans, and lentiles, and parched pulse, 2Sa 17:29 And honey, and butter, and sheep, and cheese of kine, for David, and for the people that were with him, to eat: for they said, The people is hungry, and weary, and thirsty, in the wilderness.

Now the first thing I want us to do is to look who God uses to prepare a place as a refuge for David, the King and his household:

- **Shobi** mean 'captor', and his father's name means 'serpent'. So, this is a son of the serpent who wants to take people captive. (Nice guy...)
- **Machir** means 'salesman', and it's from the root word meaning 'merchandise'. So, this person is involved in the Babylonian religious system. Babylon was the city of traffic; of merchandise. Merchandizing what? People of God are bought and sold. Remember in Revelation 17, when the city is destroyed, the one that trades in everything, plus the souls of men. It is describing the Babylonian religious system of the day, which is full of worldly values and practices. Machir's father's name was Ammiel, meaning 'people of God'. So, this confirms that the salesman or the trafficker is part of the fleshly Babylonian church.
- The third person God used was **Barzillai**, which means 'iron hearted'. He lived at Gilead and Rogalim means 'the fullers'. Now, fullers were those who washed clothing, They trampled clothing using fuller's soap to get it clean and they washed the garments of the priests, amongst other things. In those days, there were no washing machines. You had to trample clothes on rocks near water. So, this man, Barzillai is a righteous man. He is a strong-hearted man. He comes from Gilead, where the balm of Gilead is, and he's connected to the cleansing of garments.

So, we see that God has His Ways and Means Committee to prepare a place of refuge. Two thirds of those who provided for and equipped the refuge for the King's household at Mahanaim were classed as wicked. Shobi and Machir were wicked. They were not godly men. Only Barzilai was godly, but God used them anyway. And that's where we come to the truth that the wealth and the resources of the wicked is laid up for the righteous. The wicked referred to both the wicked in the body of Christ (those who are salesmen, trafficking the Word of God, part of the Babylonian church) and also the wicked, who are the sons of the serpent. They are used to supply for the Kings household. You know, God is able to turn the king's heart whichever way He pleases. He hardened Pharaoh's heart to get glory over him. God is able to harness and move the hearts of the wicked and the hearts of fleshly believers to provide for endtime refuges. The righteous trustworthy stewards whom I called 'preparers' earlier are like Barzillai, the iron-hearted ones - and God will send help via unorthodox sources to fully equip the endtime Mahanaims!

As is also depicted in Revelation 12, Absalom becomes a mouthpiece for the dragon and releases a flood against the woman or household of the King. What does the flood consist of? Death orders carried out by soldiers under this pseudo king. The usurper commands. Now remember that 'antichrist' does not mean 'against Christ'. It means 'instead of Christ' - that is a usurper; one who takes the place of Christ.

So why did these three men gather together all these things at Mahanaim? Because the people who were going to arrive would be hungry, weary and thirsty. They prepared a place for them, and it didn't just take one day to move all those provisions and vessels and furniture - there were even beds! They began the project under the direction of the Spirit of God some time before the people arrived. The preparers of the endtime refuges are forerunners. They go ahead of the army of the Son of David; Jesus or Yeshua, and they engage in SUPPLIES LOGISTICS. Remember, the word 'logistics' means 'the moving of troops and supplies before a battle, moving them into position'. So, these preparers will be moving provisions into those places of refuge. They will be planting vegetable beds and fruit trees, They will be raising animals, they will be stocking pantries, they will be making furniture or buying furniture and building structures that can be shelters. The preparers at this time are extremely busy and they know that their time is running short to complete the preparation. But they are the faithful, trustworthy ones, and Heaven is supplying everything they need to finish the work of the preparation of the end time refuges.

Now let's just look at what the word Mahanaim means. In Genesis 32:2, is where that name first crops up. It says '*When Jacob saw the Angels, he said, This is God's army. So, he named the place Mahanaim (meaning 'two armies').*

So, the one army was the army of angels. Who was the other army? It was Jacob with his two wives and all his children. It was a family. So, Mahanaim is the place of two armies - the army of Heaven and the army of God on earth will be camping at Mahanaim, wherever it may be found on the earth in the endtimes. And there will be a strong, angelic presence and activity in the places of refuge, as the army of God on earth and the angelic army sent by Heaven (warrior angels) will be working together at this time.

Now, I want to speak to you about THE PREPARATION OF THE PREPARERS. Joseph was a preparer for his family, but first, God had him betrayed and prepared him by slavery, unjust accusation and imprisonment, plus extended prison time. And then when patience had done its perfect work and the Word of God had tested and tried him, he was lifted up and rightly positioned to make a way for his family to be delivered during great famine. Goshen was in the middle of Egypt (a type of finding refuge in the world). So, God used the world. God used ungodly people who worshiped demons to supply place and provision for Joseph's family. Goshen was the best pasture land, but the Egyptians despised shepherds, so they left them alone. They were safe and protected, also because of Joseph's positioning at Pharaoh's right hand. There was no way Jacob and his sons could have moved to Goshen if Joseph had not been rightly prepared and positioned as Pharaoh's right-hand man.

God has been preparing the preparers through much suffering, hardship, misunderstanding, unjust treatment, and many delays... until in God's perfect time, he lifts them up, like he lifted up Joseph, and He puts them exactly where He wants them - in their appointed positions, so that they can fashion, equip, stock and open the door to places of refuge for their brethren. Whether they're in a place of authority where they are able to make a way for God's remnant. To stay in certain places, whichever way God is using them to open the door, they are providing places of refuge for their brethren where the remnant can be fed and kept safe during the dragon's flood.

~*~

Now. I want to remind you again of that Rubik's Cube, because God has really been scrambling up my theology and, almost like a worm goes into a chrysalis and dissolves totally and then comes out a butterfly, God has been doing that with my entire theology, which has been very interesting. We saw a little bit of that where I spoke of the pleroma, the lilies being filled with the fullness of God and God just showing me about the fullness coming into the Gentile church; into vessels who are rightly positioned and holy to the Lord.

So, let's now take a look at what's going to unfold in the days ahead and the things the Lord has been showing me.

Rev 12:6 'the woman fled into the wilderness where she had a retreat prepared for her by God, in which she is fed and kept safe for 1260 days'. That's 42 months or three and one half years.

That word 'provide' in the Greek means 'to provide to make ready'. That's what the preparers are busy with at present. And then verse 13 says: *'And when the dragon saw that he was cast to the earth, he persecuted the woman which had brought forth the manchild'*. So why was the preparation of the place necessary? Because persecution is coming, as the serpent (having great wrath) seeks to destroy the Ecclesia (called out ones).

Revelation 12:14 says the woman is going to be nourished in that place for three and one half years. That Greek word translated 'nourish' means 'to fatten or to cherish with food or to pamper'. So, this woman is going to be cared for tenderly. She's going to be cherished. She's going to be fed and pampered and sheltered in this place. The love of God is going to be poured out in abundance in demonstrable ways in the prepared places of refuge, AND the preparers of the refuges are busy putting in place tangible things which will speak of God's tender, loving, cherishing care of those who have fled.

Now, let's look at what triggers this positioning of the woman in the place of refuge. We know what positioned David and his household at Mahanaim, but the Word gives more detail of the end time fleeing. So, let's back up a few verses in Revelation 12 to verse seven.

'And there was war in heaven. Michael and his angels fought against the dragon. And the dragon fought and his angels and prevailed not and neither was the place found any more in heaven. And the great Dragon was cast out, that old serpent called the devil and satan, which deceives the whole world. He was cast out into the earth and his angels were cast out with him.'

So, first of all, these verses tell us that the dragon, the serpent, the devil and snake are all the same spiritual entity. And then verse 10 says, *'Then I heard a loud voice in heaven saying, Now it has come the salvation and power and the kingdom of our God and the power of His Christ, for the accuser of our brethren who keeps bringing charges before our God, day and night, has been cast out'*.

Now we need to pay close attention to these events. This is not talking about satan being thrown out for rebellion in the third heaven, when he lost his position next to the throne of God. This is not that, because the woman had not brought forth the manchild at that time. So, we know that in Revelation 12, John is seeing something that was happening in the future after John's time. Notice that when satan is removed from heavenly realms in verse 7 to 9, he is being demoted. He's being thrown out of the second heaven. That's where the battle is raging. And immediately that he is cast down to the earth, an announcement rings out that salvation (the word also means 'deliverance') and power (dunamis power) and the kingdom has now come! **BECAUSE HE HAS BEEN CAST OUT.**

It seems that the presence of the accuser in the second heaven was somewhat holding back the full download of the kingdom. And when he is removed, the sluice gates for deliverance and miracle power to be poured out are opened. The casting down of the dragon to inhabit the antichrist clears the way in the heavenly realm for the download of the dunamis and the authority and the saving power of the Father and the Son.

It is decreed, **"Now is come..."** and this announcement is only made after the war in the heavenly realms and the casting down to earth, and only after he's cast down to earth is the dragon or satan release to rampage for a short time, warring with the double portion Remnant Witness Company, (which is described in the last verse of Revelation 12).

*Revelation 12:13 'And when the dragon **SAW** that he was cast onto the earth, he persecuted the woman which brought forth the manchild'.* In other words, it was a surprise to him. It was like, "What? Where am I? I'm not in the second heaven anymore. I'm on Earth..." In other words, he was not expecting to lose his place in the second heaven. Finding himself on earth and earthbound was a surprise - and he is furious. It is a demotion. First, he was thrown out of the third heaven into the second heaven, him and his angels, for the crime of rebellion against God. But now he's been sent even further down. He has become EARTHBOUND. And his first target is the woman from whose ranks, the manchild came forth. But she is whisked to safety with supernatural help as the persecution breaks out. And so his last target is the manchild company who now occupies a superior spiritual elevation to him. The manchild is caught up to the

third heaven to God and His throne. That's why I wanted to start this message with the worship that is going back and forth in the throne room from the different companies.

Revelation 12:17 says, *'And the Dragon, (who is now on earth), was angry with the woman and went to make war with the remnant of her seed (or her remnant seed), which keep the commandments of God and have the testimony of Jesus Christ.'*

Testimony is the word 'marturia' in Greek, which is the same word used for the two witnesses. So, the dragon is furious because the woman has been taken to safety, he can't get at her. And so, he is waging war with the remnant double witness company. He's furious. He's no longer allowed to move around in the second heaven. He and his angels are confined to the earth, but the ecclesia have an open door to the throne room of God in the third heaven. And *this* is why he is so angry, because **that** used to be his position. This is why he persecutes the ecclesia with venomous hatred. Daniel's little horn, the man of lawlessness who wears out the saints, is connected to the dragon (the serpent) who releases the flood to destroy the woman.

I want you to remember that this the forerunner of this whole scene played out when God's people left Egypt. They were led out of Egypt in ranks. It says in the Word, God lead His army out of Egypt. Then Pharaoh came to his senses when they'd gone and he said, "What have we done? How stupid. Those are our slaves", and he sent his army after them. The army of Egypt came as a flood after the people of God who were stuck at the edge of the Red Sea, (or properly in Hebrew, the Reed Sea). And God delivered them. So, the flood is connected to an army that is released. And in this endtimes, it isn't the army of Egypt, one nation, that sends its army - it's the endtime New World Order army that is released; with death assignments and enslavement assignments against God's holy remnant that has come out of the Babylonian system.

Revelation 12:11 'and they have overcome him by means of the blood of the Lamb and by the word of their testimony, for they did not love life even when faced with death'.

Please note, overcoming has nothing to do with staying alive on this earth. Some will die for their faith, but the result of the confrontation of the army of light with the powers of darkness is OVERCOMING. All that happens if you are slain for your faith on this earth, is that you are transferred to another section of Heaven's army and you war from

the Heavenly Army in heavenly places that is interacting with the army of God on earth. So, you have God's warrior angels, you have the saints that have gone before - and the ones who are slain in this endtime are just populating the ranks of heaven's army if they are slain on earth. Death is only a moment, so don't be afraid.

So now, as I mentioned the Rubik's Cube and adjusting blocks 'til they line up, God showed me quite a revolutionary take on some familiar verses. So, let's look at verse 10 of Revelation 12 again. It says, *'Then I heard a loud voice in heaven saying, Now is come the deliverance and the dunamis power and the kingdom of our God and the power of His Christ, for the accuser of our brethren has been cast out'*. It says NOW IS COME. Jesus said the kingdom of God is within you, but this verse says, after the devil is thrown down, the kingdom is come. If you look at that word 'kingdom', it doesn't actually mean a territorial kingdom. It means 'the authority to rule in a kingdom'. So what this verse is saying is, when he and his angels get cast out of heaven, deliverance, dunamis power and the authority and ability to rule in the kingdom comes.

Now it comes!

This is describing the powers of the age to come being released in His remnant people. Jesus, as I said, said that the Kingdom of God is within you. The removal of the accuser of the brethren from the second heaven and the demoting to earth clears the way for an amazing download of the fullness of Christ into His Holy Remnant.

The word translated 'salvation' in verse 10 means 'deliverance, preservation, safety, deliverance from the molestation of enemies'. Remember, the woman flees to a place where she is fed and KEPT SAFE. As I've mentioned already, the word translated 'power' in verse 10 is 'dunamis'. It means 'strength, power and ability'. It means also 'the power for performing miracles'. **This is the powers of the age to come.** This is the pleroma of Christ. Dunamis also means '**the power resting upon armies, forces and hosts**'. So, the host of the remnant army in the endtime will have the dunamis power of God imbued into them. As I mentioned, the word 'kingdom' used here basically means 'royal power, kingship or dominion'. It's not to be confused with an actual kingdom, but rather 'the right or authority to rule over a kingdom'. Do you remember that in one of the

seven churches, Jesus said to the overcomers that He would give them an iron rod and they would rule.

This described coming in Rev 12:10 is that Jesus is full of - miracle working power authority to rule and the power of deliverance.

So, all these things that are now coming when the dragon or the serpent gets cast down to earth with his angels are summed up as the fullness of Christ. Revelation 12:10 is depicting the measure of the stature of the fullness of Christ being imparted to His Holy remnant people, just like the lilies that my friend dreamt about, with the seven fold light shining forth. It is the pleroma of Christ.

So now, there's a big question...

Is the dragon's positioning in the second heaven what is referred to as 'he who lets' or 'he who restrains' being taken out of the way? We've always been traditionally taught in the church that this refers to the church being raptured because they are restraining the enemy. But what the Lord is showing me is that it's not what it means at all. No one's getting taken to heaven to escape the dragon. If you read in context in 2 Thessalonians 2, you must take note of what being 'taken out of the way' is referring to.

2 Thessalonians 2:3 Let no man deceive you by any means, for that day will not come (referring to the coming of the Lord or his presence or his 'parousia') except there come a falling away first and that man of sin be revealed; the son of perdition who opposes and exalts himself above all that is called God or that is worshiped (That's the little horn) so that he, as God, sits in the temple of God, showing himself that he is God (in his own imagination). Don't you remember that when I was with you, I told you these things. And now you know what withholds that he might be revealed in his time.

Paul is saying, you know **what** withholds that **he** might be revealed in his time. If we connect 2 Thessalonians 2 to Revelation 12, where the dragon is cast down to earth, **what** is withholding is the fact that the dragon (satan) and his angels are still occupying a place in the second heaven. And he will only be revealed filling the man of sin when he has been **taken out of the way** or **cast down to earth**. Let's read again.

2 Thessalonians 2:6 and now you know what withholds that he might be revealed IN HIS TIME.

There is an appointed time. God is in control. There is an appointed time for the Antichrist to be revealed. There is appointed time for the son of perdition to be unveiled. Let's continue: *'for the mystery of iniquity already works* (well, don't we know that), *only he who now lets (or withholds) will let, until he be **taken out of the way.***

So, it's not the church, firstly because it's a 'he' who is taken out of the way. And the whole time from 2 Thessalonians 2:3-7, it's talking about the man of sin being revealed, whom we know is filled with the spirit of satan. So how does he get taken out of the way, except by being overcome and cast down to earth with his angels? He certainly doesn't get sent higher! It's demotion time...

So, I know that there are strongholds of biblical understanding from years and years of biblical teaching on this topic.... and no doubt somebody is going to brand me a heretic because of what I am sharing, but the Spirit of God has opened my eyes to these things. It is like the Rubik's Cube lining up for me, three-fold height and depth of understanding. So, ask yourself, is he taken out of the way by being cast down to inhabit the Antichrist? Is this what 2 Thessalonians 2 is talking about? Because the man of sin cannot be revealed until he is inhabited by the serpent/dragon (who up until this time is situated in the second heavens). The word 'let' there in truth, means 'to restrain, to hinder, to check a ship's headway and prevent forward movement, to seize or to withhold'. Now, Church of the Living God, all the spiritual warfare we do is because satan and his angels are in the second heaven, accusing and interfering with the progress of the kingdom on earth. They are preventing forward movement and they withhold, they resist.

Now Revelation 12 tells us there comes a point in time when they get moved out of the way **because they are letting, they are restraining. They are checking the ship's headway and preventing forward movement.** An example of this is in the Book of Daniel when the answer to his prayer was delayed three weeks because the Prince of Persia was resisting the angel bringing the answer to Daniel's fervent prayers. The angel was in the third heaven at the throne of God. The minute Daniel prayed, God

said, "Take Daniel the answer. Tell him the truth. Give him understanding", but the angel had to pass from the third heaven through the second heaven to get to the earthly realm - and that's where he experienced resistance. That's where he experienced being restrained. That's where he experienced his headway being checked and his forward movement being prevented. Let's read.

Daniel 10:12. 'Then he said to me, Fear not, Daniel, From the first day that you set your mind and heart to understand and to humble yourself before your God, your words were heard. And I have come as a consequence of your words. But the Prince of the Kingdom of Persia withstood me for 21 days. Then Michael, one of the chief princes, came to help me, for I remained there with the kings of Persia'.

In other words, he couldn't get through. The Prince of Persia was blocking the way. He was resisting. He was restraining him, and God had to send Michael from the third heaven to come and help him. The word 'withstood' there used in Daniel 10:13 is from two words meaning 'to stand firmly in front of'. Is that not the same as preventing a ship from making headway and blocking the path forward? This is what the word 'let' or 'withhold' means in 2 Thessalonians 2. Go to the Strongs Concordance, or better still, Thayer's Greek Definitions for the word G2722. It says 'to restrain, to hinder the course or progress of, or to check a ship's headway'. As long as the accuser, the dragon has place in heavenly realms, his presence hinders or holds back the course or the progress of the fullness of the kingdom from being released. But God has allowed him to remain there, because if he was thrown out long ago through our spiritual warfare, the antichrist would be revealed before his appointed time according to the blueprint of Heaven. So, he remained there until God says, "Right now I'm sending my angels to war in the second heaven, to overcome them and to get the dragon and his angels out of the way. I'm demoting them. They're going down to earth".

2 Thess 2:8 speaks about he who withholds being taken out of the way, & it says, '*And then shall that wicked one will be revealed; (the antichrist) whom the Lord shall consume with the breath of His mouth and destroy with the brightness of His coming*'. Understand that in between the wicked one being revealed and the Lord consuming him with the breath of His mouth are three and a half years of rampaging. Then verse 9 describes this wicked one in more detail:

'Even him, whose coming is after the working of Satan with all power and signs and lying wonders, 2Th 2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. 2Th 2:11 And for this cause God shall send them strong delusion, that they should believe a lie: 2Th 2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

In other words, the wicked one is going to cause mass deception. The casting down of the dragon is necessary for satan to inhabit the antichrist. The wicked one cannot be revealed until he is fulfilled - just as Jesus had the Holy Spirit descend on Him and remain, before He started His ministry.

So, the casting down of the dragon out of heavenly realms is a trigger that starts the tribulation and the persecution of the ecclesia. **But the downloading of the powers of the age to come in the consecrated remnant happens at the same time.** Revelation 12 says: '**NOW IS COME** the deliverance and the dynamis power and the authority to rule in the Kingdom of His Christ. The antichrist is filled with satan and the remnant bondslaves are filled with the fullness of Christ **AT THE SAME TIME!** Because the path through the heavens is cleared, that it can come through.

So, saints, stop looking for the antichrist to be revealed in his time. Look for Christ coming to be glorified in his saints. Get yourselves rightly positioned in full surrender as a bondslave of the Lamb and look for the infilling with the Powers of the Age to Come. Expect deliverance, safety, impartation of miracle-working power and kingdom authority to rule and exercise righteous judgments. Although it is the time of the Antichrist persecuting the church, it is ALSO the time of an open, clear channel to the throne room, because the accuser is cast down. God is going to empower His manchild army with His glory and His dunamis power. This is part of His logistics - spiritual logistics, supplying what is needed for the battle ahead.

2 Thessalonians 1:10 says, '*When He comes to be glorified in His saints and marvelled at in all who have believed*'. Why is He marvelled at? Because they are moving in miracle-working power, because they're moving in Kingdom authority. And in verse 11, it says '*for which we also continually pray concerning you that our God would deem you worthy of the calling and would fulfill all the good pleasure of His goodness and the work of faith in power, so that the name of our Lord Jesus Christ may be glorified in you and you in Him, according to the grace of our God and of the Lord Jesus Christ*'.

That word where it says 'would **fulfill** all the good pleasure of His goodness and the work of faith' is the word 'pleroo'. It's from this word that the word 'pleroma' comes(the name of the lilies in my friend's dream".

- Pleroo means 'to make full, to fill to the top so that nothing shall be wanting, to full measure, to fill to the brim'. This is talking about the measure of the stature of the fullness of Christ being imparted.
- Pleroo also means 'to imbue or to execute an office'. There is the allusion to authority and kingdom ruling power.
- It also means 'to consummate or render perfect!

So, precious saints. I know that I've probably messed with a lot of people's theology, but when those Rubik cubes lined up for me with the separate scriptures and separate pieces of revelation and God opened my eyes to see what is coming, I knew I needed to share it. We need never fear the unveiling of the antichrist. Yes, God's remnant and His holy ecclesia will see the tribulation. Yes, the dragon is releasing a flood! But Almighty God of the third heaven is releasing a flood of Dunamis power and authority to rule and reign; the Powers of the Age to Come into His remnant witness army. So be greatly encouraged and position yourself for this. Don't look for the coming of the Antichrist. Look for the coming of the Powers of the Age to Come and the logistics (the supply delivered and positioned) for God's army, the remnant seed. Hallelujah.
