### [Audio Version of Message](#)

Today I was planning to release another message I've been preparing, but as I sat with the Lord this morning and asked Him what I should be doing, He said to me, "I have something to say". It is really important to heed His timing and to release the right message at the right time. My desire is to be a trustworthy steward of all He gives me! So, this is the message I received on the 15th of January 2023:

**"Daughter, things are not as they seem. The wicked march to and fro, speaking proud words and passing law after law, and they rub their hands together in glee and declare their aims are being realized. But I am still upon My throne and I will not give it to another. They seek to hide deep from Me their counsel, but I can hear the thoughts of their wicked hearts and all their diabolical activity is laid bare before Me. Does a man not reap what he sows? Is there not an accounting and a weighing in the balances? I set the wicked in slippery places and sudden is their downfall!"**

**Tell my people not to focus on every small triumph of the wicked - for to focus on them is to elevate them in importance. Do not let the diatribe of the ungodly be your listening choice. Lift your eyes higher. See My eternal purposes and the superiority of My might. Did I not break the heads of Leviathan upon the waters? And am I not able to deal with the alliances of men who seek to overthrow Me? I say to you, Lift Me up! Give Me the glory due to My name. Proclaim My words throughout the earth. Let the sound of My decrees echo in the valleys and the plains. I have given you a mouth. Open it wide and I will fill it. The words of My mouth cannot be overturned. Declare My praise. Release the sound of pure worship onto me.**

**You cower before the threats of those whose judgment is already settled in heaven. Rise up, My people, and fill the air with the sound of My victory. Let your voices resound as you declare to principalities and powers My goodness, My faithfulness, My supremacy! Live as people who know their God. Live as those who know My power and might! Behave as those who believe I Am who I say I Am. Is there any other Rock besides Me? Is there another who can set the stars in place and breathe life into dead bones? Proclaim the power of the God you serve. Don't cower in fear and give your attention to the mouthpieces of the dragon. Don't tremble and rehearse what the beast system plans to do to you. Begin to meditate upon My might. My warrior angels are positioned for battle. Lift your heads and walk as sons of the Light. My strength is available to those who ask. My peace is yours without measure as you focus your eyes on Me, I Am able to keep you. I Am able to help you. I Am the same yesterday, today and forever.**

**Harness your eyes and your mind and proclaim that My Kingdom comes on earth as it is in heaven. The price has been paid. The plan has been laid. I will show Myself strong on behalf of those whose hearts are fully Mine. Sit your face like a flint and do not let yourself be tossed to and fro by the fearmongering and the lies of the foot-soldiers of Satan. Steep yourself in My truth and it will hold you steady. You are citizens of another Kingdom. Do not become embroiled in the skirmishes on social media. I have work for you to do.**

**Give yourself fully to My Kingdom purposes Time is short. Be about My business. Live as one who seeks to please Heaven. Tune out the tumult of a society coming undone at the seams and march to Heaven's music. Let My still small voice be your daily guide. Your life is in My hands and I will use you to display My glory - if you will let Me! “**
