

## Tucked under His Wings (19<sup>th</sup> Feb 2023)

### [AUDIO VERSION](#)

Hello, Precious Saints. I've been wanting to share this particular message with you for quite some weeks, and the Lord has been holding it back for this moment. You know, He's a God of order, and He knows what He wants to say and what must follow it. And sometimes He gives us a hint of what's coming in advance. But then one has to be reined in by His Spirit and only release the word He wants released on a particular day.

So, this morning, I'm going to share with you about something I saw on the 31st of January. I opened my back door at about 7:00 in the morning and we have a very high wall with razor wire on the top because of the break-ins in the area where we live. And then above that, I can see the cloud line and the sky. And as I looked up my back door,

there was a very distinct shape of an eye in the middle of the cloud that was straight ahead of me. It wasn't fluffy edges or anything. It was a distinct almond shaped eye. And that's very unusual for clouds to form that shape.

But the eye had no pupil. It was just the almond shape of the eye. And then I asked the Lord, why is the pupil missing? And immediately the Spirit reminded me of a message I gave a while back, called 'The Manchild Raised up and Mantled', where He showed me revelation that the apple of the eye, spoken of in many places in the Word, represents the manchild.

And He told me again, after seeing this strange cloud shape, that God guards the manchild by shutting his eyelid. An eyelid is another version of the Wings of God. In that message, (the manchild raised up and mantled), I spoke of the construction and the parts of the eye and how it depicts the throne and the rainbow around the throne. And I'm going to read that to you shortly, but He really referred me to how the eyelid functions. When danger is imminent, the eyelid shuts and hides the pupil from harm. Often, the eye shuts without your conscious mind having seen something. In a fleeting instant, the brain is given information by the eye, which you haven't even registered, that there is a projectile or something wanting to fly in the eye and immediately the eyelid shuts to protect the pupil from harm.

I was a bit irritated that the razor wire was in the photo but the Spirit asked me, "What does it represent?" and I knew the answer was 'good protection', so realised that He was confirming the message twice in one image.

So, I was pondering on these things and when I came back and looked out the door again at about 10:00 that morning, the shape of the eye had disappeared. In fact, the sky was completely clear, except for the clouds that had formed the eye shape. They had been transformed into a whole stack of lines, like lines of writing in a book. And the

Spirit said to me, “My decrees go forth from the heavens. They emerge from the mouth of My manchild company, and they speak and release My will and My purposes in the earth.”

So now I want to quote from ‘The Manchild Raised Up and Mantled’, although I would recommend that you go back and listen to that whole message because it really does expand on what I’m sharing about the eye:

*‘It was on the 9th of April last year, I heard a command, “It’s time to arise. I will guard you as the apple of My eye”. The apple of the eye is found in a number of scriptures. Deuteronomy 32;10 speaks of God finding Jacob in the wilderness and leading him and instructing him and guarding him as the apple of His eye. In Psalm 17:8, it says, ‘Keep me as the apple of Your eye. Hide me under the shadow of Your wings’. And the word used for ‘apple’ here is two Hebrew words: ‘ishon’ and ‘bat’. Ishon means ‘the little man of the eye’, and it comes from a root word meaning ‘man’, which is ‘ish’. So, the little man is the same as the manchild. Therefore, the apple of the eye represents the manchild: the little man of the eye. And the other word used for ‘apple’ in this particular verse in Psalm 17 is ‘bat’ which means ‘daughter or apple of the eye’. So, it’s almost as if it’s written: ‘Keep me as the apple apple of the eye’, which is quite interesting because in every other verse that speaks of the apple of the eye it only uses is ‘ishon’. But in this one it’s ‘ishon’ is masculine and ‘bat’ is feminine. So, it’s very interesting. It tells you that the manchild is made up of both male and female: men and women. That is a strike to*

*the religious spirit - because that patriarchal spirit would like to say that only men could be a part of the manchild company, which is completely untrue. In Christ, there is neither male or female.*

*So, we see that the apple or the pupil of the eye represents the manchild. What is the pupil? It is the portal that lets light into the eye, which is then transmitted to the brain, which interprets the image and gives instructions to the whole body of what to do according to the light and the image that the pupil of the eye has transmitted to the brain. So, this tells us that the manchild company works in tandem with the mind of Christ in order to transmit information and instruction to the whole Body. And this is why the manchild in Revelation 12 is caught up to the throne after his birth - because the manchild must see things from the throne room perspective. This is where the headquarters of the Body is. The eye of the body and the brain of the body work together to cause the whole body to move and react according to the revelation that is received by the pupil of the eye (or the apple of the eye, which in this case is the manchild).*

*So, the manchild has a watchman/seer function, because they receive light and work in tandem with the mind of Christ in order to transmit instruction to the Body and feed it information and revelation needed to rightly react to external circumstances - and that is really important in these times. The interesting thing is that in the human eye, the colored part surrounding the pupil, is called the 'iris'. Now the iris of the eye is a muscle which expands and contracts according to the amount of light that is available. When it gets darker, the iris of the eye contracts and opens up the pupil of the eye more, so that more light can be let into the body via the eye. So even when it's getting dark, the eye can still see and can transmit information to the Body about what to do.*

*I had a look at the word 'iris'. Why was the part of the pupil of the eye called the iris? It started to be used in the 15th century and comes from a Latin word, which also means 'a rainbow'. Now, that's a significant thing for us spiritually, understanding about the manchild's positioning, because in the human eye, the apple of the eye is the center and it's surrounded by the iris or the rainbow of the eye. So, let's go back to Revelation 4. John was called to 'come up here', so he could be shown what must be. In other words, he's going to be given light and revelation. So, we see that John represents the movement of the manchild being caught up to the throne here. And verse 2 says*

*'immediately, I was in the spirit'. Once you've received the calling as the manchild company to arise, there is a catching up to see from a throne room perspective. John starts to describe what he sees and it's very significant.*

*V3 'and he that sat on the throne was to look upon like a Jasper and a sardine stone. And there was a rainbow around the throne.'*

*Now that word for 'rainbow' in the Greek, because the New Testament is written in Greek, is also the word for "iris of the eye. So, the throne of God and its surroundings is mirrored in the human eye. There is a central portal or pupil which transmits light information and instruction, decrees and blueprints to the body, in tandem with or working with the mind of Christ. Right around the throne there is a rainbow. Or you could say there is an 'iris'. And down in Revelation 4:5, it says something very interesting:*

*'Out of the throne preceded Lightnings and thunderings'.*

*Now we know from things I've shared in the past that lightning and thundering speak of the release of light and sound, the release of revelation and the release of instruction. And not only are there lightnings and thunderings coming from the throne, but there are also voices or sayings. So from the throne, surrounded by the rainbow of seven colors, there is light, sound and communication being released. And that is exactly what happens in the human body. We are fearfully and wonderfully made. Flashes of light are sent to the mind or the brain with the communication (or voice) being sent to the whole body via the nervous system as to how to react.'*

So, you if you want to read more about that, you can go to that message 'The manchild raised up and mantled'. Use the search function on my [WEBSITE](#).

But I want to go back to what I saw in the clouds on the 31st of January. Now, it's interesting that the Lord had me wait to release this message about being hidden in the shadow of His wings and being guarded as the pupil of the eye until after I released the message about the catastrophe in East Palestine, Ohio. Now, I want to just make a correction to my last message. Somebody very kindly emailed me and said, I have made a mistake because there are two Palestines in Ohio. There is a Palestine and

there is an East Palestine. And when I was explaining about the distance between Palestine and Columbus, I was speaking about the wrong Palestine, which is west of Columbus! East Palestine is on the other side, near the border with Pennsylvania. So, if you pull out a map of Ohio, you will find where East Palestine is, and the fallout and the way the wind blew for those few days, the particles of that very poisonous gas did go towards Columbus. It also went right over Lake Erie, which is north-west and seeped across the Pennsylvania border. In fact, there have been dead birds discovered 350 miles from East Palestine. Acid rain has been seen on vehicles in New York on the eastern seaboard. So that tells you how far the poison travelled in the air. It was very tragic to see photographs of people queuing to go to a town hall meeting to get information and speak to authorities in East Palestine, and none of them had any masks or protection on their faces. They were standing there breathing poisonous gas and asking questions of people that had no answers to give. And remember, in my dream, I ran past the queue and I shouted, "Go home. Cover your eyes and your mouth and go home and only eat what's in your fridge and your milk three days old. So, it's really playing out very accurately with what the Lord showed me in the dream and the air, the ground waters and the rivers are very contaminated with poison.

So, after that message, the Lord is allowing me to release a message saying to the manchild company, whom He regards as the apple of His eye, that He will guard you the way the eyelid guards the pupil of the eye. Now, what was really interesting was that on the 16th of February, a couple of days ago, I opened my back door and there again was that shape of the eye. I actually couldn't believe my eyes to see it again in exactly the same spot, but this time it was in the midst of clouds that looked like giant waves. And there is a scripture in Psalm 32; 6 - 8 that says. 'When the waters of trial overflow, they shall not reach the spirit in him'.

So now this morning, the Lord had me sit down when I was preparing to release this message, and He started to expand on the whole typology of the eyelid of the eye and God's wings. He took me to Psalm 91, and I want to read that to you. It says in verse 4: 'He will cover you with His pinions and under His wings will you trust, and His truth shall be your shield and buckler'. The word for 'wings' is 'kanaph'. The apple of the eye is protected by the shadow of a wing. In other words, the eyelid acts like a wing overshadowing and hiding the eye from harm and giving it rest.

Now I'm going to interject with two other things that are connected. This morning, I was praying for a friend who is living in very difficult circumstances and I was saying, "Lord, where is the place where you are going to hide her in the end times?" And He showed me an image of this person being tucked under the left wing of a giant bird. And He said to me, **"It is not her geographical position, but her spiritual position that is important. I am tucking her under the shadow of My wing"**. So, I hope that is a message for somebody else out there who is worried about moving into the end time position of protection where you are fed and kept safe. It's not the geographical position so much, but the spiritual position. And what is psalm 91:1 say? *'He who dwells in the secret place of the Most High will abide under the shadow of the Almighty'*. In other words, under the wing of the Almighty. So, the word 'kanaph' is also what refers to the edge of a garment or a prayer shawl, and God instructed His people, the Israelites, to put fringes on the edges of their garments and the blue cord to depict the commandments and the unshakable words of God. So, if the eyelid is the kanaph or wing that protects the apple of the eye, the eyelashes on the eyelid are akin to the fringes on the garment, and lashes keep dust and debris out of our eyes.

Now, dust is always a depiction of flesh. God made Adam's flesh out of the dust of the earth. So, dust depicts flesh or fleshly ways or choices for living. The eyelid and the lashes are a covering for the apple of the eye - a shield. And psalm 91:4 says, *'He will cover you with His pinions and under His wings will you trust. His truth is your shield and buckler'*. So, the eyelid protects the eye and the wing or kanaph of God is your shield and protection. Psalm 91:4 says that the wings are His truths, His commandments - they are your shield and buckler. Truth, God's truth; The words of God's mouth. Or settled forever in heaven. Once he has spoken it, it is immovable and unchangeable, and this is our protection that he does not change. The words of His mouth and His commandments and instructions - if we will order our lives by them, they form a wing of protection over our lives. The words of His mouth were recorded thousands of years ago, but they will still hold the whole weight of your life. They stand unchanged amidst a world that has no moral plumbline or true North any longer. His unchangeable commandments and promises mount guard over the manchild company, in the same way as the eyelid and eyelashes protect the eye from harm, from projectiles, and from the fleshly dust of the plans of the man of flesh. 2 Corinthians 3:15 says, *'My covenant will I not break nor profane, nor alter the thing that has gone out of My lips.'*

Now let's just look at the place where God instructed His people to make fringes. It's numbers 15 :38 - 40. *'Speak to the Israelites and bid them to make fringes or tassels on the borders of their governments throughout their generations and put upon the fringes of the borders upon the tassel of each corner, a cord of blue, and it shall be to you a fringe that you may look upon and remember all the commandments of the Lord and do them, so that you may not follow after the desires of your own heart and your own eyes, of which you used to follow and play the harlot.'*

In other words, those fringes are to remind you what the boundaries of holiness to the Lord are. Numbers 15:40 *'that you may remember and do all My commandments and be holy to your God'*. Now the 144,000 that are on Mt. Zion and follow the Lamb wherever He goes, are a depiction of a company that is holy unto the Lord. Where the Lamb goes, they go. Their lives are set apart for Him. The pupil of eye, which represents the manchild, is set apart for a purpose. It's set apart to be positioned at the throne like John was positioned at the throne, and the 24 elders and the living creatures are round the throne. The manchild company are positioned in holiness and worship and devotion to the Lord at the throne. And therefore, because they position themselves there, because they dwell in the secret place of the Most High, because they make the Lord their Refuge and the Most High their Dwelling Place, that is why psalm 91 says there shall be no evil that befalls you or not any plague that comes near your tent.

Many people quote Psalm 91, but they have not set apart their lives in holiness to the Lord and they do not dwell and anchor their hearts at the throne. Now you can't just spout scripture and assume that what is promised there is going to be your portion if you yourself, in the way you live, are not positioned exactly as this psalm 91 describes. That is the PRECONDITION for the protection from the things that are coming upon the earth. Remember Numbers 15:39, which said 'so that you can look upon the fringes and remember His commandments and do them and not live off to your own fleshly lusts, (which is the living or the lifestyle of a harlot).

God calls us to holiness - and a holy life is a protected life. Psalm 91 is for those who DWELL. And that word 'dwell' means 'to settle down and marry' in the Hebrew. Because you have made the Lord your Refuge and the Most High your Dwelling Place, there shall no evil befall you or any plague or calamity come near your tent. Now, what

is your tent? Paul spoke about his tent, and he was speaking about his body; his earthen vessel that his spirit lived in. So, Psalm 91 does not promise that your house; your brick-and-mortar house, is not going to be affected. It promises that the tent of your body shall have no evil befall it or any plague or calamity come near it. Remember? Is it in Jeremiah....? That God says to the prophet, 'I will give you your life for a prey'. Your tent will be protected. And psalm 91:11 expands on that protection. And it says He will give His angels charge over you, to accompany and preserve you in all your ways. So, there is angelic protection assigned. Those who choose holiness to the Lord who are bondslaves of the Lamb - This is the manchild company. So, there's a positioning of the heart; there's an anchoring of the heart to True North. It is the holiness and the set apartness of being hidden under His wing; under the wing of His covenant and under the shadow of His protecting commandments, which form the shield and the buckler over your life. When you live by the words of His mouth, you automatically are positioned at the throne with the Apple of His eye; the Son is seated at the right hand and His wing of protection is available to you. You will not fear the arrow that flies by day because the shadow of His wing comes down over you and protects you - just like the eyelid protects the eye from any insect that flies or whatever, just as an eyelid shuts and shields the pupil from harm, this is how you are going to be protected.

When I saw that eye with the shut eyelid on the 31st of January and again on the 16th of February, God was emphasizing that He has His wing of protection over His holy bondslave company. And in between those two sightings was the terrible disaster with the poisonous fire that was deliberately ignited in Ohio. There have also been horrendous earthquakes in Turkey.... All sorts of awful things have happened. Now let's just go to Psalm 91 and read the list of things that one is protected from.

Psalm 91:5 'You shall not be afraid of the terror of the night'

The terror of the night happened in Turkey. Those people went to bed the evening before and at 3:00 in the morning, the buildings they were sleeping in collapsed like pancakes. More than 1000 high rise buildings collapsed with the strength of the shaking. But psalm 91:5 says that when you dwell in the secret place of the Most High, when you make His wing your shelter and protection, you shall not be afraid of the terror of the night, nor of the arrow (and in the Amplified Bible, it says 'the evil plots of the wicked that fly by day'. And haven't the wicked got many plots!), nor of the pestilence that stalks in darkness....' You know, now, just recently, in the last couple of days, the World Health Organization has basically announced that the next pandemic is the Marburg virus. And the word of God that does not change, that stands forever, that has been uttered out of His mouth, says that if you dwell in the secret place, if you live a life of holiness under the boundaries of His commandments, He will cover you with His kanaph or His wing, As the eyelid covers the pupil of the eye. And therefore, you do not have to fear the pestilence that stalks in darkness, nor the destruction and sudden death that surprises or lays waste at noonday. A thousand may fall at your side and 10,000 at your right hand, But it shall not come near you.

Now they say ... (whoever they are, THOSE who always seem to know everything), They say that the death rate for the Marburg virus is 80%. That is eight out of ten people who get to die IF INFECTED. But God does not go by the statistics of man. God goes by His Word. He is constrained by the boundary of the words he has uttered, and his unchangeable word says that those who live holy lives, who position their hearts at the throne, who dwell or settle down and become one with the Bridegroom in heart, in purpose and in life, shall be hidden and protected under the shadow of His wings. And they do not have to fear the pestilence that stalks in darkness, nor the destruction and sudden death that surprise and lay waste at noonday. Psalm 91:8 basically explains that the pestilence and sudden death and the arrows and the terror of the night are the reward of the wicked. It says only a spectator shall you be as you witness the reward of the wicked, because you have made the Lord your refuge and the Most High your dwelling place, there shall no evil befall you nor any plague come near your tent. Isn't that beautiful - to make the MOST HIGH your dwelling place! That's what He was basically saying about the person I was praying for. It's not about her geographical

location. It's about her spiritual position. And He had tucked her under the shadow of His wing.

The Lord emphasized that again this morning. I was just walking in my garden and I was just saying, "Thank you, Lord, so much for your protection of this property", and He said to me this, **"The protection is over your life. It is mobile. It goes where you go. The protection is not the boundaries of this property. The protection is wherever you are because it's assigned to your life"**. He will give his angel's charge over you to accompany and defend and preserve you in all your ways.

So, I just wanted to encourage you with that this morning as we continue to see the rollout of the wicked plans of diabolical men who are trying to decimate the world population and take over control. Understand this - the wing of God, the covering kanaph of God is available to those who will make Him their dwelling place. Who will make the Most High their refuge and dwell in the shadow of His wings. I want us to end off with psalm 36 because it's just beautiful and it's connected to this concept of His wings.

*Psalm 36:7 'How precious is your steadfast love O God? The children of men take refuge and put their trust under the shadow of Your wings. They feast on the abundance of Your house and You cause them to drink of the stream of Your pleasures. For with You is the fountain of life and in Your light do we see light. O continue Your loving kindness to those who know you, Your righteousness to the upright in heart. Let not the foot of pride overtake me and let not the hand of the wicked drive me away...'*

There it gives two keys that can rob you of the shelter of His wing. Pride will prevent you taking advantage of the shelter of His wing. And the hand of the wicked would attempt to drive you away from that place of making the Most High your dwelling. Do not let what the wicked are doing drive you away from the place of protection and the shelter of His wing (as the eyelid covers the pupil of the eye in the time of imminent danger). So, the shadow of the Lord's wing is over the life of His holy ones.

May the Lord just bless you with what I've shared. And may He confirm to you that the protection assigned to the life of a bondsman of the Lord is not a geographical thing. It is something that is over the life of somebody holy to the Lord, and it goes with you

wherever your feet take you. As long as you're walking in obedience and service as a bondsman of the Lamb, He assigns angels to guard and protect you. Might you be blessed with his unshakable peace. May His shalom saturate the atmosphere around you on this particular day! Amen.
