

## What Does the Sign Say?

There have been a few videos circulating on social media this week, declaring that the rapture is taking place at the orthodox Feast of Trumpets 5784 on 16<sup>th</sup> September 2023. This being 'proven' by the position of certain asteroids in the constellation of Bethulah, the virgin. Personally, I do not believe this to be an accurate understanding, and am very aware that perhaps the zeal of these particular saints in trying to find signs of a soon-coming rapture may be contributing to reading the signs in a way that fits their particular doctrine of pre-tribulation rapture. If anything, when I watched their videos, I think what they have picked up may perhaps be showing the birthing of the manchild, rather than the catching away of the saints.

Let's look at what the heavens are displaying on the early Barley Yom Teruah 5784...

This is what is in the heavens above Jerusalem, as the first Sabbath of 5784 (6h38pm 18<sup>th</sup> Aug 2023) began on the Early Barley Calendar. Treshnikov, Child, Arequipa and Harmonia are all asteroids and when you look up each asteroid's number in the Strong's Concordance, you get the meaning written in yellow above.

Asteroid 3339 is positioned at the place of birthing and G3339 is the Greek word meaning 'Transfigured'. How interesting that at the beginning of the Morning Watch year for the Tip of the Spear, the heavens are displaying a bringing forth and manifestation of transfiguration. Note the Child asteroid is positioned on the left breast of Bethulah the virgin, nurtured and comforted, and that this Child asteroid is also in alignment with the moon, Regulus and the sun as it goes down.

The star Spica's original Hebrew name was Tsemach, which means 'the branch'. So Bethulah's left arm is connected to the bringing forth of His Servant the Branch as Zechariah speaks of. The left side is connected to hidden things and this Branch Company are presently set-apart (shown by the Harmonia asteroid at left shoulder) and being prepared as His hidden weapon of war.

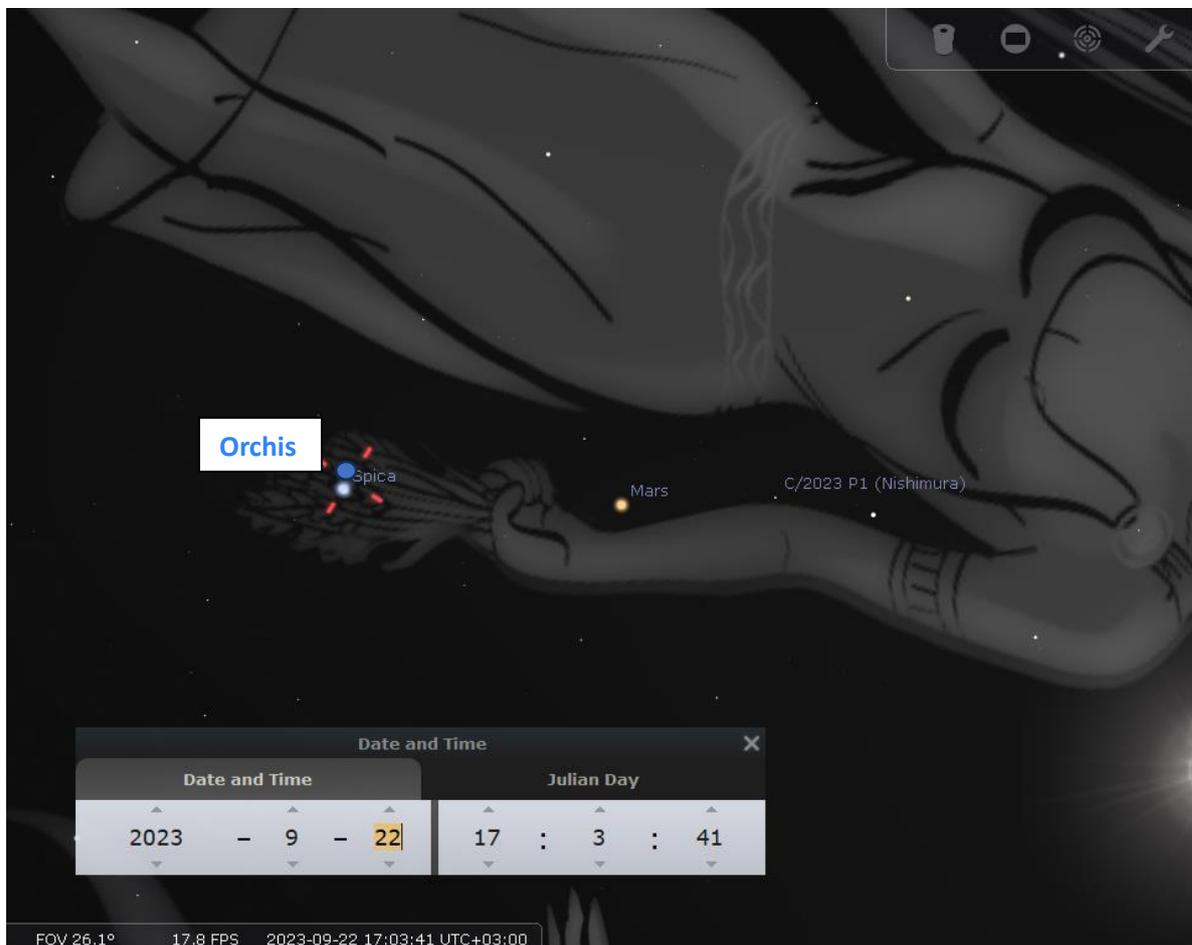

Ehud in Judges 3 was a left-handed Benjamite warrior who slaughtered the enemy king Eglon by hiding his two-edged dagger on his right thigh. Of course, the king did not expect an attack from the left hand, which is usually considered weaker than the right hand – but God takes the weak and foolish things of this world and uses them to confound the wise! Before the guards of the dead king realised what had happened, Ehud had completed his assignment and escaped!

Are there any other interesting things going on in the heavens concerning the Branch company during these Fall feasts? Well, I noticed that on 1<sup>st</sup> September 2023, which is Tabernacles 1 for the early Barley Company, Mars is positioned at the left shoulder of Bethulah, and proceeds to travel all the way down the left arm as we move through the month of September. Mars is always associated with war and God declares in His Word that He is going to pit the sons of Zion against the sons of Greece. There are a number of important meetings involving the progress of the New World Order during September 2023 and so its no wonder that His servant the Branch is strongly connected to the war planet during these weeks. It will be a time of being led by the Spirit in war decrees and high praise as you meet with Him in secret. The sons of Light are waging war on the sons of darkness.

The sons of the enemy are using Directed energy Weapons to wreak havoc in the earth; whether by HAARP, laser or microwave, but the sons of Light use spiritual frequency weapons as they wait before the throne and receive the words to decree from the mouth of God Almighty.

We are His D.E.W. Wherever He directs you to release your sound from a holy mouth, do it with all your heart and soul and strength! The endtime battles are frequency battles, not hand-to-hand combat. Microwaves are beamed forth from a hidden source. As they strike, flames erupt at the target and reduce it to ashes. This has been very clearly demonstrated in the Maui fires. As terrible as this event has been, see the prophetic parallels for us as the Tip of the Spear. From a hidden place, we open our mouths and unleash the frequency given to us by God and the target is struck with His judgement fires. Be very aware of the power of God's words in your mouth. You are His weapon of war. Consecrate your mouth to holy use

ON 22<sup>nd</sup> of September 2023, asteroid Orchis (number 1080) is found right over Tsemach (or Spica), giving it the visual appearance of being doubly bright.

G1080 is the Greek word meaning 'to bring forth'. In Zechariah, God says "I will bring forth My servant, the Branch (tsemach)". This event which depicts this exact verse takes place on the 8<sup>th</sup> day of the Early Barley Tabernacles 5784. The eighth day is a special Sabbath, called Shemeni Atzeret, and normally psalm 92 would be read.

*Psa 92:10 But my horn shalt thou exalt like the horn of an unicorn: I shall be anointed with fresh oil.*

To exalt a horn means to increase a person's power and authority and anointing with fresh or virgin oil is an act of consecration for holy use. Psalm 110 says that His people will offer themselves willingly in the day of His power. In the beauty of holiness from the womb of the morning (this is the morning watch) will spring forth His young men who are as the dew.

In October the sun travels down the left arm of Bethulah, clothing it with glory light, and following behind the sun comes Mercury, the messenger planet. It seems that in the next two months, Heaven is very busy with the Branch Company and that left arm of the virgin Bethulah.

Lastly, I would like to share what the Lord said to me this morning concerning the year 5784:

**"This will be a hard year – hard in the way that the flesh will be crushed in many ways. Many foes will surround the body of My remnant warriors, but I Am their strong tower and defence; a shade at their right hand. I shut them in behind and before and no-one touches them without My permission. I will give them their lives for a prey in every place to which they flee. The one who seeks to be Me rises on the wing of abominations, but those who know Me shall be strong and do exploits. You are My weapon of war and I consecrate you for battle. I anoint your heads with fresh oil. Array yourselves in your battle armour, remnant seed. I will exalt your strength like that of a unicorn."**

**Selah**
