

# The Lord Reigns, Let the People Tremble

## [AUDIO MESSAGE](#)

Hello, Precious Saints.

Today is the 1st of March 2023. If you have started Aviv like I have in preparation for early Passover, it is the 8th of Aviv 5783. Yesterday, which was Tuesday, the Lord reminded me of an article that I wrote in 2020 and I pulled it up and read it – it is called [Prepare, Prioritize, Purify \(Audio of P,P,P\)](#)

Prepare. Prioritize, purify. And interestingly enough, yesterday was the 7th of Aviv in the calendar I'm following, and it was the day that the people were told by Joshua to prepare their provisions because in three days they would be crossing the Jordan into the Promised Land. So, the 10th of Aviv is the day that they crossed into the Promised Land, which in the calendar I'm following is on Friday. So, it was interesting that the Lord highlighted three words for three days - PREPARE, PRIORITIZE and PURIFY. Now, this morning, the 1st of March. I was on my knees just worshiping and I broke bread and I was praying in tongues, and the Lord said to me, "Sit, My daughter, I want to speak to you", and He gave me a very strong word. It's not a word only for the Tip of the Spear, but it is for the WHOLE spearhead and for the Body of Christ. I am just going to read it for you from my journal and then give you some scriptures afterwards.

As He said, "Sit, My daughter. I want to speak to you," I saw the edge of a prayer shawl or tallit with two blue stripes on its edge and fringes attached. And then I saw a Persian carpet, which I recognized as my mother's, where she lives in her little old-age flat. She's had it for many years, and the carpet is quite worn and the fringes have been worn away from age and many feet passing over them. I'm sure you've all seen carpet like carpets like that. And because I know the content of the word the Lord gave me, I know that the fact that He showed me my mother's Persian carpet is

significant because whenever He speaks to me concerning my mother, it is a type and shadow which refers to the Church, or the Body from which we have been birthed into the Kingdom. The Church has brought us forth, so to speak. Now I'm going to share what the Lord said after showing me those two things - that tallit with fringes and the worn Persian carpet with no fringes left:

**The Lord said, "Is My Word like this carpet? Is it to be laid down and walked on day after day, until its commandments become disconnected from the main body and cast away? Is My Word an accessory, a home decoration laid down to have the feet of men sully it year after year? NO! And yet, this is how My Body treats My Word and disdains My commandments. 'Oh, this verse is beautiful!' they say, and promptly lay it down and put the whole weight of their life upon it, as they continue their daily lives just as before. Is this the way to treat the beauty of My ancient Word? Did I say walk upon My Word as if it is water? NO! And yet men teach this is the way to make use of My words. 'Decorate the house of your life, but don't change anything you are doing. The Word is a tool. The Word is a Manual for Life.' How dare they blaspheme like this? Relegating My Word to the ranks of a how-to manual, as if it should be used at will and laid aside just as easily.**

**No, My Word became flesh. Sound put on substance and walked amongst men. And the one who laid hold of the fringes of His garment was made whole. My word is living and active - just as My Son lived vibrantly in the midst of those who followed Him closely. He was no accessory to life, no home decor to beautify one's dwelling place.**

**My people do not honor My Word. They do not REVERE My sayings and tremble at what I have spoken. They read it - many of them daily, and some even walk around quoting it from unclean mouths that have cursed their brethren and eaten of things offered to the idols of mammon and the flesh... But they do not fear Me, and they do not revere what I have spoken, and they do not tremble as they see their lives are not aligned to My plumbline. 'Oh, that's a good thing to remember', they say, as they rush about their busy days. 'I should memorize that verse', but by evening all thought of doing that has fled from their minds and they pamper their flesh and soothe their ruffled souls with easier matters.**

**Does My Word not say 'NARROW is the way to life and FEW find it'? Do they even begin to grasp what this means? To pass through a narrow way, you have to let go of excess things you are carrying. You have to focus and move carefully to ensure your limbs fit through the small space. If you are really serious about finding true Life, first of all, pray you may find the WAY. The way is not a door. It is a narrow passageway that has to be walked through. It involves a conforming to the dimensions of the passageway. YOU do not decide the dimensions of the way. I predetermined them eons ago. They measure up to My understanding of what HOLINESS looks like - not YOURS!. If My people do not conform their lives to MY MEASURE of holiness, they will not be amongst the FEW that find Life. Broad is the road that leads to destruction, and many of My people walk gaily on, thinking they are on the narrow way, but their lives trample My Word like a worn-out Persian rug and the fringes of My commandments are no longer in existence in their minds.**

**Repent while it is still today, My people! Repent for not trembling at My Word. Repent for not revering every word that has been uttered from My lips. The Word is not a smorgasbord, where you take a plate and serve yourself that which appeals to your eyes; that which will titillate your personal taste buds. How deluded My people are! How poor, how naked, how blind! Come to Me before the door to mercy shuts. Come with weeping, come with broken, contrite hearts Learn from David if you must, but recognize that you have sinned against Me by your treatment of My Word. Is not My Word a hammer that will break the hardness of a rock to pieces? Do I not desire to use it to crack the hardness of your heart? Is it not a fire intended to consume all wood, hay and stubble from your lives?**

**Return to trembling at the sound of My voice. Return to REVERENCE. Return to the highway of holiness. No unclean thing walks there. Cleanse your lives of all leaven. Wash yourselves while you have the water of My Word easily available. Cover My altar with tears of repentance and get yourselves ready - for the time of My coming suddenly to the midst of My people is at hand. And I will deal severely with those found with My Name on their lips and a life that is defiled and unholy. I WILL render recompense to My enemies - and some of them are found within my temple.**

**Choose you this day whom you will serve and order your life accordingly. Cast out your many Babylonian garments and choose the simplicity of the Robe of Righteousness which I have provided at so great a cost - but remember, this robe can ONLY be worn by those who are set apart unto Me! I will remove all counterfeits from the midst of My people! ...And THEN men will tremble!**

**But you return freely now, repent willingly now, and return to fearing the Creator and the Keeper of your souls - for dark days approach, difficult to deal with and difficult to bear. I would have you sheltered beneath the shadow of My wings. I would have you covered by the hem of My garment. Take cover, My Beloved. Be as those who flee to a Rock Refuge as the Destroyer approaches. Think not there is plenty of time! Hear the sound of the watchman:**

**“URGENT, URGENT. URGENT. THE STORM APPROACHES.  
TAKE SHELTER. HIDE YOURSELVES. HIDE YOURSELVES.”**

**Heed the words of My mouth. Take stock, My people. And if you have dwelt carelessly and trampled My Word, REPENT while it is still today!”**

The Scriptures the Lord gave me to go with this word are:

Joshua 3:5, which says, *‘Sanctify yourself for tomorrow the Lord will do wonders amongst you’.*  
Malachi 3:,5,  
Joel 2: 12 , 13  
Isaiah 66:1 - 6.

Now, it is significant at this time, as we are preparing for an Early Barley Passover once again (by faith) that the Lord addresses the removal of leaven from our lives, because that is exactly what He told the Israelites in Egypt to do. They began eating unleavened bread with their Passover meal; lamb, unleavened bread and bitter herbs. And then for the next week, they ate unleavened bread. So, God is calling us to remove the leaven of sin from our lives and to not walk carelessly and to not have smug satisfaction that we are right with God. We need to get on our knees while there is still time And ask Him to search our hearts with His lamp of the Holy Spirit and show us if there is anything wicked within us; show us if there is any sin hiding in our hearts, show us if we have not trembled at His Word, show us if we have dwelt carelessly and walked upon His Word as if it were like water and put our whole weight on Scriptures and quoted them, but have not trembled! Or our lives, do not line up with His commandments and with His definition of what holiness is.

The word says 'Be holy as I am holy'. How is God holy? Well, first of all, He is completely and utterly committed to His kingdom purposes. He is also completely and utterly set apart and pure. He is fully light. There is no darkness in Him and no shadow of turning. Is there a shadow of turning within our hearts? Do we live lives that are partly light and we allow some dark corners to remain, knowing that we should sweep them out, but never getting round to it because the busyness of life consumes us. Remember the seed that was sown and the thorns that sprang up and choked the seed? The deceitfulness of riches and the cares of this life will choke the seed of the Word, and it will not bear fruit. So, God is calling us to PREPARE, PRIORITIZE AND PURIFY, in preparation for crossing into a new season.

Remember that when Joshua and the people of God crossed over, there was a frequency battle around Jericho, and specific instructions had to be followed. And the people were prepared for war when they crossed over. Prepare, people of God. Prioritize, people of God. Purify, people of God!

Selah
