

## Positioned and Alert or Cowering and Effete

### [AUDIO VERSION](#)

I want to discuss the state of the church and what is happening in the world. This message is not part of the new wine series but is certainly connected to it!

Note the word in the title:

Effete: having lost character, vitality, or strength, marked by weakness or decadence

Covid and the years from 2020 until now have rendered the church intimidated and silent, even without masks on their faces. They do not even realise how paralysed and ineffective they have become.

**Isa 59:14** *Justice is turned away backward, and righteousness (uprightness and right standing with God) stands far off; for truth has fallen in the street (the city's forum), and uprightness cannot enter [the courts of justice].* **Isa 59:15** *Yes, truth is lacking, and he who departs from evil makes himself a prey. And the Lord saw it, and it displeased Him that there was no justice.*

WEF has told governments to ban the Bible and that AI must write a new Bible. An AI masquerading as Jesus is drawing vast numbers of young people and leading them into deception at site called Ask\_Jesus. It mixes truth with error eg 'all love is love'. Yuval Harari is a servant of satan and its time the true

church of Jesus Christ rose up and began to decree the judgement of God upon him and his cohorts. May the Almighty shut his mouth and cause him to fall from his station. May he receive the true reward for his wickedness and blasphemy. Let the sword of the Lord execute His righteous judgement upon the necks of the wicked who blaspheme His Name and seek to take His throne. May their fall be great and swift and final. \

**I compiled a Pdf of warfare decree scriptures.** Print them out, speak them, sing them. Paste them on the wall of your bathroom and read them while you brush your teeth. Just get them into your spirit so you can wage war with them.

Also, remnant, you need to devour the Word of God NOW. I have spoken about this for years but now it is urgent! Hide it in your heart. Memorise it – using a good and accurate translation. Do not memorise the Message or the Passion Translation. Your best bet is the King James version. Play it on audio while you walk in your house. Let it be woven into your bones because a time is very shortly coming where it will be illegal to own a real Bible. It will be called a counterfeit and this blasphemous AI bible will be touted as the truth. Understand that a counterfeit is not vastly different to the real, it has small differences that an uninformed person will not notice.

Think of a counterfeit dollar bill. It would not be made using a different color or bear different images. One would have to have detailed knowledge of the original to detect the falsities in the counterfeit. If you do not have the true Word of God hidden in your heart, you are going to be deceived by the counterfeit. Eat the Word of God with the same urgency in which the Israelites ate the lamb under the cover of the Blood as the Destroyer passed over. If the Word is hidden in your heart in all its accuracy, when you encounter situations, it will rise up from within your heart and speak to you. You will be able to decree with authority, “It is written” and wage warfare against the pseudo-gospel that will pervade the earth... Your weapon, your sword is the Word of God. The greatest battle of your life is ahead. Have you equipped yourself with your God-given sword? Is it polished and sharp as it lays in your heart and in your mouth?

*Isa 59:21 As for Me, this is My covenant or league with them, says the Lord: My Spirit, Who is upon you, and My words which I have put in your mouth shall not depart out of your mouth, or out of the mouths of your [true, spiritual] children, or out of the mouths of your children's children, says the Lord, from henceforth and forever.*

Is His word in your mouth? Is it in the mouths of your children? This is His covenant with you. His Word in your mouth is mighty and powerful. It wages war with darkness. Release the frequency of Truth into the atmosphere, remnant! The servants of satan are shouting in the streets in this month and Christians who try to speak scripture to them are arrested for disturbing the peace. Truth has fallen in the streets as Isaiah 59 says, but frequency affects the atmosphere wherever it is released. Atmosphere is not confined by walls and fences. What are you releasing in your closet? Wage war with the frequency of Truth. Declare the words of Light and drive back the darkness. Announce His coming to principalities and powers. Lift up your heads, O ye princes at the gates. The King of Glory is coming in. Who is the King of Glory? The Lord of Hosts, He is the King of Glory!

*The Word tells us that the evil one will rise on the wing of abominations and every one of you can testify to the dramatic rise in abomination flagrantly displayed at every turn. Yet, as the enemy uses this degradation and filth to herald the arrival of the son of perdition, where is the voice of the Church of Jesus Christ speaking out against this darkness? Week after week, pastors stand up in their pulpits and fail to address the flood of evil that is threatening to choke the lives of their very congregations. They do not rise up and speak truth to counteract the lies that are being touted in classrooms and on news stations, nor do they equip the sheep to take up the Word of God and wage war against the evil that is seeping into every home through the tv and social media on mobile phones. They don't address the mutilation of our children or the vile blasphemy that is spouted from the mouths of these self-proclaimed prophets of the antichrist. They do not teach the people of God that they are in a battle and it's time to put on the full armor of God and to take up the sword of the Spirit - which is the Word of God. No, they just keep speaking safe sermons that have no understanding of the times and only succeed in preparing their congregations to be lunch for the wolf that is at the door.*

Where are the true men of God who will stand up and say, "This is what the Word of God says – be holy as I Am holy. Come out from among them and be separate". Where are those that operate in the spirit of Elijah and are unafraid of the Ahabs and Jezebels of this world? This is not the time for milksop Christianity. This is the time to wake up, Rise up, beat your plowshares into swords and show up as part of the army of the Lord of Hosts. Who is on the Lord's side?

Are any of the pastors on the Lord's side? "Oh, but I don't want to discuss anything controversial, we have to be tolerant and supportive of other's beliefs..." Nonsense. Where does it say this in the Word of God. It is an abomination for a man to lie with a man. I didn't say that. God Almighty said that. He hasn't changed His mind. So no, He doesn't approve of transgender priests. Its Ishtar who had transgender priests. And no, children are not sexual beings from birth and no, it is not normal behaviour for men to have sex with animals. This is an abomination and I don't care if it is a professor of some great university who practices this vile behaviour as was recently reported in USA. It is still an abomination in God's sight. Truth is an unchanging plumbline by which you build your life. Its not 'my truth' and 'your truth'. Truth is an absolute. His Word is TRUTH. He is the Way the Truth and the Life. Try building your life by the crooked plumbline of 'your truth' if you believe alternative sexual preferences are fine, and your house will fall down with a great crash, and great will be the destruction of your soul. Why is the Church of Jesus Christ ashamed to stand up for Truth. Are we afraid of persecution" Are we afraid of being cancelled? Do we fear man more than we fear God?

And yes, they probably are going to bring out an AI bible which approves of every behaviour that God calls vile and filthy. But do you think that will change the fact of what Truth is? His word is settled forever IN HEAVEN. So, they can print all the garbage they want and call it 'truth', but it doesn't change the original record and THAT is the one men will be measured by in the day of judgement. They can use Cern to go back in time and alter printing records of scriptures like 'The Lion will lay down with the lamb' and make it read 'the wolf will lay down with the lamb' but it doesn't change the truth of the Word of God. The wolf by the way is connected to the beast with iron teeth who tramples and wears out the saints. Search using the word 'wolf' on my website and see what is written there. Beloved, with AI writing sermons and painting artistic masterpieces, you better make sure you know your Bible because what spews forth will be very convincing – just like in the garden of Eden. Satan's modus operandi has not changed. He still hisses 'Did God say???' Your sword better be sharp so that you can be among those executing His righteous judgements mentioned in Psalm 149, binding kings with fetters If you cannot use your sword, you will be the one bound with fetters!

This is not the time for apathy, sighing and saying "oh this is just a sign of the times...." Well, yes, a Laodicean church is the sign of the times but God is looking for those who are hot, not lukewarm. His eyes are searching the whole

earth to find those whose hearts are fully His. He will show Himself strong on their behalf! Deal with that pulp, remnant. Separate from the things of the flesh that you have dragged with you month after month, year after year. Now is the time to be holy unto the Lord and turn your back on that which keeps you lukewarm and silent. Get the things out of your life that keep tripping you up. If the adverts that pop on youtube keep tempting you to look at porn, stop going to youtube! You have got to be ruthless with any form of darkness trying to keep hold of you and defile your testimony. Guard your heart, from it flow the wellsprings of life. End those friendships that keep dragging you back into apathy and worldliness. What fellowship can light have with darkness?

It's time to be filled with zeal for His house. Its time to ask the Lord to set a fire in your bones. You are not wrestling against flesh and blood, but against principalities and powers, against spiritual forces of wickedness. I want to ask you – are you wrestling? Or are you in apathy, just avoiding the battlefield. This is not a battle won by taking up placards and marching down the street. The battle is heavenly. So, fill your mouth with His Word. One day you may be the only audio record of the true Word of God in your area. Make sure you memorise important portions.

Where are those who are the sons of the light? The darkness is trying to browbeat and intimidate the sons of the light into docile submission. Is it working with you? Do you find yourself silenced? Are you intimidated by the intensity of the flood of filth that is spewing from the dragon's mouth? Have you forgotten that Christ in you is already the Victor? That the Lion has already conquered? The Blood is still speaking from the Mercy Seat and it still contains as much power as the day it was shed. Wake up remnant, take up your positions and begin to decree and declare the Word of the Living God. He is the King of Glory and the wicked melt like wax before Him. The Lion of Judah wants to roar through you! Who are these uncircumcised Philistines who defy the army of the Living God? Who are these wicked men who shake their fists in the face of the One who grants them breath? It's time to operate in a warrior mindset. Go through the psalms and see the prayers David prayed concerning the enemies of the Lord. When you hear some new statement that Yuval Harari has put out, let the anger of God rise up in you and begin to decree His righteous judgements. Present yourself for duty, soldier of the Lion!

.....

Do you remember I shared in my last message about seeing a lion walking and his feet shaking the earth and how the Spirit showed me the picture of His

footsoldiers being used to execute righteous judgments? Well, I came across a confirmation about this in an old post:

From 'with these I will dwell':

Then on the 25th of January, 2023, I was briefly woken in the middle of the night. And I just had this flash vision come before my eyes and it was of a constellation in a dark night sky marked out in the shape of a walking lion, striding purposefully from right to left. And there was an authority and a warlikeness in its posture, even though I was only seeing stars joined together with lines to make the shape of a lion, I could feel the atmosphere it produced. When I woke up in the morning, I said to the Lord, "There's no such constellation in the sky, Lord, in the shape of a lion going from right to left. So what is this that I saw?" And He said to me,

**"It is My holy ones who carry in their belly the roar of the Lion of Judah. I dwell in the midst of them and utter My voice through their yielded vessels. I fill them with the power of My Might, for the day of war is at hand and I am restless for it to begin!"**

I said, "Lord, why? Why are you longing for the battle to begin? Isn't it going to be a time of carnage?" And He said,

**"Oh, yes, war always has its casualties, but it is time to cast the accuser down. He harasses Me day and night with his words against My holy ones."**

And then suddenly I heard a song being sung. I don't know who was singing it, but there was more than one voice, so it could have been angels singing it. And it went like this.

He's going down, down, down. He's going down.

He's going down, down, down. He's going down.

From the throne to the heavens, and yet down and further down.

He's going down, down, down. He's going down.

From the sky to the earth for a brief time of his wrath  
and to the lake of fire he's going down.

And then I was reminded of the scripture where Jesus said, "I saw Satan fall like lightning from heaven". And, with a flash, realised that lightning strikes from the clouds to the earth, where it is neutralized. So, Satan and his angels are going to be cast out of the second heaven and no place will be found for them. Then I heard the phrase:

### **CLEAN SWEEP**

The heavens are going to be swept clean and cleared of all principalities and powers. That's why it says in Revelation 12, *'Rejoice, O heavens and you that*

*dwell in them*'. Who's that speaking to? Who are those who dwell in the heavens? It's the 144,000 and the saints that have gone before. It's the sealed ones who dwell in heavenly places, who have been granted to serve before the throne of the Lamb, have been given the open door to heaven as John was, who are sheltered under the tabernacle of God and have His wing put over them for protection. It's those who have the Lamb in the midst of the throne as their Shepherd. It's those who will see the reward of the wicked, but it will not come near them. Why must they rejoice? Because there will be a great increase in the ease of movement in the spirit for His consecrated ones once the heavens have been cleared out. Because those who opposed, harassed, accused and resisted them continually, the horns that Zechariah 1 speaks of, have been taken out of the way. In fact, they've been sent down to earth and limited to the earth realm. No wonder it says *'Woe to those who dwell on the earth'*. Because Satan has a brief time and he's going around in great wrath. Then the Spirit took me back to Zechariah 1:20 & 21, where it speaks of the four horns or the four powers or principalities that have been harassing the tip of the spear company, Judah, who are the forerunners. And the Lord said:

**"Now the release of the smiths will deal with them."**

And I said, "Lord, who are these smiths?" and the Spirit said,

**"They are wordsmiths, who take the hammer of My Word and drive out the horns that have scattered My remnant. My portion shall receive their portion."**

**HOW CAN WE TAKE THE HAMMER OF HIS WORD IF WE DON'T HAVE IT HIDDEN IN OUR HEARTS. THE SPIRIT PUTS US IN REMEMBRANCE OF WHAT JESUS HAS SAID AND DRAWS FORTH TRUTH OUT OF THE LIBRARY WE HAVE STOCKED IN OUR OWN HEARTS.**

**Another lion image was shared with me at the beginning of 5779 (late 2018):**

I would like to share what I saw in the sunset sky on the beginning of the first evening of 5779. The clouds were brilliantly lit up and as I gazed at the beautiful sight, the Holy Spirit opened my eyes to see two things in the shape of the lit-up clouds. Firstly, I saw a fiery lion with its mouth open in a roar, and then immediately in front of it, I saw a fiery whirlwind. I quickly took a picture and then drew on the image on my phone with my finger to make a permanent record of what I was seeing. Here is the photograph. Please excuse the straggly writing but the tip of one's finger is not the best implement to write with!

As I pondered this image on returning home, a scripture came immediately to me. It is found in Isaiah 66:

*Isa 66:15 For behold, the Lord will come in fire, and His chariots will be like the stormy wind, to render His anger with fierceness, and His rebuke with flames of fire. Isa 66:16 For by fire and by His sword will the Lord execute judgment upon all flesh, and the slain of the Lord will be many.*

This sign in the newly birthed 5779 sky announced a season of fiery judgement and the release of His messengers as flames of fire to participate in the working of His hand in judgement. Verse 16 speaks of a large number of deaths as a result of this judgement of fire.

Finally, to end off, the Spirit nudged me to also rerelease the words spoken over 5782:

From the message called 'Launched Amidst the Weeping'

**"You will see. The year 5782 will be the year when a great weeping arises in the land of Egypt".**

**5782 was the second watch of the night (9 to 12am) and corresponds mostly to the year 2022 but began during the fall feasts of 2021. This is when much of the delayed effects of the syringe poison began to manifest in sudden deaths. The war between Russia and Ukraine also began in late Feb 2022; this being the trigger to a great wave of weeping as it leads to nuclear war and deaths in nations far beyond Ukraine's borders.**

and immediately I thought of the death of the firstborn of Egypt as the Destroyer passed over. You can read that in Exodus 12:30. And He continued,

**"Grief will be the prevailing emotion in every nation under heaven, and you must choose to join your heart and your ears to another sound. You must press through all the wailing and the cacophony of loss, and reach upward to lay hold of the sweet sound of peace and silence that pervades My throne room at that time. Anchor yourself deep in the Rock of Ages. Silence dissenting voices within and centre yourself on My throne and the glory that fills the atmosphere there - and know that the onset of weeping in the world is an indicator of your soon expulsion from the world system".**

I remembered the Israelites in Egypt and how the weeping surrounding them preceded their being galvanized into action to procure gold and silver and garments from the Egyptians. They did not get distracted by what was going on in Egypt, but were supremely focused on the blueprint of Heaven for them. They reached into the chaos of Egypt and extracted what was needed for their next chapter. Then, marshalled in ranks, they moved out on cue, propelled by the decree of Pharaoh, who said, "Get out of my sight". They were ALREADY dressed and girded. They ALREADY had sandals on their feet, and they were well nourished by the Lamb. They moved through the resounding frequency of grief, marching to a higher drum beat – a higher frequency, synchronized with a different blueprint from the world's blueprint and harnessed to the clear spoken word of God for them. Without a backward glance, they plunged forward into the unknown on the other side of life as 'slaves in Egypt or the world system'.

The onset of the Great Wailing marked the moment that those set apart under the sound of the Blood BEGAN TO MOVE FORWARD; their whole welfare and future in the hands of the God of Abraham, Isaac and Jacob. They did not draw back in fear or cower in their slave quarters. They moved under the direction of the proclamation given through Moses. They had received an 'abar kol', a transition sound, and within that transition sound were instructions to go to the Egyptians and get wealth - gold, silver, jewels and garments, for building the tabernacle in the wilderness.

God has declared 5782 will be the beginning of great wailing and mourning in the world. **You cannot let the background noise of His righteous judgments distract you from fulfilling your instructions.** He will keep in PERFECT PEACE those whose hearts are stayed on Him. Anchor your heart so firmly in Him that though the sound of a great destruction rages around you, you are filled with peace within, positioned in the eye of the storm. Put on the harness of the individual words which He has spoken in the depths of your heart. He has plotted your course and HE WILL BRING YOU TO YOUR DESIRED HAVEN. Men's hearts will be failing them all around you, but you will be held still and calm in the midst of it all, knowing you are a citizen of another kingdom. He gives us power to hold ourselves calm in the days of adversity.

On the world stage, a fierce battle rages, but those hidden in the wings only observe the reward of the wicked. Nothing will harm those dwelling in the secret place of the Most High. Oh yes, a thousand will fall at your side and ten thousand at your right hand, but it will not come near you. His angels have charge over you. His heavenly messengers have been commissioned to protect you from all harm as you move forward. Lock your eyes on His face. Focus on the route plotted out for you ahead. Like a runner in the starting blocks, let the crowd fade into insignificance as your ear is trained on the sound of the starter's gun. POSITION YOURSELF FOR SWIFT FORWARD MOVEMENT and be still deep within. All your training has brought you to this point. All the arduous preparation your heavenly Coach has put you through has made you fit for this moment.

All over the Earth, in every nation, your brothers and sisters in the Remnant Company are doing likewise. Feast on the Lamb; the revelation of Him provided for you - and be strengthened for the journey ahead. You move forward in His split-second timing, synchronized with heaven and guided by the pillar of cloud and fire. High above the sound of the great wailing that breaks out, there is the blast of the Jubilee shofar announcing the end of your slavery to the world system.

Stillness within is not sleep, you are alert and fully awake, your ears pricked and tuned to the Command Centre of Heaven, your eyes fixed upon your appointed lane in the race, your whole being yoked and harnessed to kingdom blueprints and divine instructions. Positioned under the shielding banner of the Blood, you are in a night of watching.

.....

I want to urge you, remnant, to brace yourselves for what is coming. Be consciously aware that the days will be extremely challenging and things will happen which will pierce your heart, but if you position yourself rightly in Him, you will not be completely knocked over. He is a bulwark in the storm, a strong tower and a rock of refuge. When your heart gets overwhelmed, you can flee to Him and hide under the shadow of His wings. HE is your strength and your Shield. Position yourself rightly behind your Shield. Put God between you and any enemy onslaught and fix your mind on Him, not on the features of the enemy's face.

**Become more aware of the presence of Jesus than the presence of the enemy.**  
He DOES prepare a table for us in this season and you will be able to be seated

and take in all the nourishment God has prepared for you, even though you do it in the presence of your enemies. Rationally, if the enemy was present, one would be in such a state of fear and panic, the last thing on your mind would be sitting and eating. However, **peace and the absence of fear is a hallmark of the life of one strongly rooted and grounded in God.** And the nourishment at the table laid for you in this place will equip you to safely travel the next leg of your journey.

.....

From consecration of straight arrows Oct 2022:

I asked the Lord, “Lord is the word that I got on my birthday only for me? Or is it also for the remnant carrying Your presence, those 60 mighty men around the palanquin coming out of the wilderness, mentioned in Song of Songs?” And the Lord says, said to me, **“Yes, daughter, it is good to think like this. The remnant are one! My remnant son in the earth”.**

So, we see that the remnant is a corporate body of sons. And He confirmed to me that the word that He'd given me on my birthday was not only for me, but also for the whole corporate body of remnant sons. So, now I just want to share with you what he spoke that. He said this:

**“I prophesy over you INCREASE in a time of decrease, PLENTY in a time of lack, FAVOR in a time of harsh persecution, and SECURE SAFETY in a time of peril. I have WAYS AND MEANS and I will induct you into them.**

**PREPARE TO BE PREPARED for your audience with the King. One night is all it takes for old doors to close and new ones to swing open. There will be a change of LOCATION and STATION. GLORY will be part of your story. Saying it is not the same as seeing, and dwelling on the heights is imperative to receive.**

**I will grant you REPRIEVE in a time of relentless onslaught, PEACE in a time of war and SAFE SHELTER in a time of extreme danger. You are Mine and I take care of My own. Nothing will touch the apple of My eye. THOSE I COVER CANNOT BE DISCOVERED. My wing both protects and provides”.**

**SELAH**
