

## [A Meal That Moves You pt 2 ~ audio](#)

Hello, Precious Saints.

I trust that you have all consecrated your gates as we are going to do Part two of A Meal That Moves You and I shared with you that we are going to break bread together. 1 Corinthians 11. 26, says that we need to examine ourselves before we partake of the bread and the wine, which is why the Lord had me release the message about consecrating your gates - not letting your eyes look upon evil and not letting your ears hear of the shedding of blood. If you are new to this channel, I'd like you to press the pause button and go and get yourself some bread and grape juice (or wine, if you

prefer), and also get a pen and paper, because I'm going to give you a list of words that the Lord gave me; a list of what the frequency of the Blood accomplishes.

Jesus said in John 6:51 that those who eat His flesh and drink His Blood live forever. So, I would suggest that you read the passage in John 6 from verse 51 again in the light of the communion meal. These are the words that the Lord gave me:

### WHAT THE FREQUENCY OF THE BLOOD ACCOMPLISHES

- It **RECONCILES**. ~ Ephesians 2:16.
- The frequency of the Blood **REPAIRS AND REBUILDS** ~ Hebrews 13:20,21.
- The Blood **RESTORES** ~ Isaiah 53:5. By His stripes we are healed.
- The Blood **RELEASES AND SETS FREE** ~ Romans 5:9. We are justified and acquitted through His Blood. Every area in our lives that has gone into captivity is released when we partake of communion.
- The Blood of Yeshua **REVIVES** ~ Ephesians 2:1, and Colossians 2:13.
- It **REJUVENATES**. ~ Ephesians 2:5. In other words, it imparts life and awakens again. We were dead in our trespasses and sins. And he has made us alive by His Blood.
- It **REDIRECTS AND REALIGNS** you to the plumb line, because the Blood of Christ wipes away the record of sin and missing the mark which has caused you to go away from the plumb line. It redirects you and realigns you to the plumb line.
- It **REDEEMS** you ~ Ephesians 1:7. In other words, the Blood of Christ is a currency that buys back every area in your life that has gone into captivity, because of missing the mark.
- The frequency of the Blood **REDACTS** or wipes out handwriting ~ Colossians 2:14. It blots out the handwriting that is against us. This is the handwriting that the accuser of the brethren reads out before the courts of heaven - but the Blood of the Lamb rejects and wipes out and blots out that handwriting.
- The frequency of the Blood **RETURNS** you to close relationship with the Father. Ephesians 2:13 says that by the Blood of Christ we are brought near.

So, I would really encourage you to go and read all those scriptures now. I'm going to read that list of words again that the frequency of the Blood accomplishes. And then I'm

going to continue with the message, and then we are going to break bread together at the end.

The frequency of the Blood RECONCILES REPAIRS, REBUILDS, RESTORES, RELEASES, REVIVES, REJUVENATES, REDIRECTS, REDEEMS, REDACTS AND RETURNS.

Now, I spoke to you in part one about how the frequency of the blood on the door posts protected the Israelites from the Destroyer in Egypt. And we are hearing much on the news these days, or not the mainstream news, obviously, but by other means, that many bioweapons are being manufactured in laboratories. In other words, they are interfering with the genetic makeup of viruses and splicing in and adding in other bits of DNA - and DNA speaks. It releases a sound. It gives directions about what must be done in the host or the body that it is in. And I want to say to you, it doesn't matter what dark sound bytes the enemy has genetically spliced together from different sources. The Blood of the Lamb speaks a better word. The Blood of the Lamb has a superior frequency to all other frequencies in the earth, under the earth, and in the second heaven. The Blood has greater power.

The sound of the Blood at the gate of your lips silences the frequency of the avenger and the thief. It rebukes the frequency of all invisible death assignments. By its presence, it mutes death frequencies. Do not go one day without applying the Blood of the Lamb to the door of your lips. It is your identification in a spiritual world. It is your immunity in the storm that rages. It says to every enemy demonic scheme that would try to enter your life to cause you to perish, to cause decay, destruction and death in any area of your body, soul or spirit, it says to that demonic scheme, "Be still, be quiet, be silenced!" The sound of the Blood never falls to the ground. Nothing can silence the sound of the Blood. It causes all death assignments unleashed against you to fall to the ground.

Do you brush your teeth twice a day? You are cleaning the gate of your mouth. Why not seal the gate of your mouth with the mark of the Blood of the Lamb? It's no good only doing what is necessary physically to remove germs from your mouth. You have to understand that the sound realm is where God originally operated to bring order. In

Genesis 1, the Earth was without form and void. There was chaos. There was no structure or order. And God said, "Let there be light". And there was.

The primary battle is the battle of frequency, of dark sound against the frequency of light. Why do you think God had each household slaughter a lamb in Egypt? Why didn't He just say to slaughter one lamb for all the Israelite slaves? Because each household had to apply the blood to their OWN door posts. The entrance to their own dwellings had to have the distinct mark of the blood of a spotless lamb. It had to be applied PERSONALLY before the night the Destroyer passed over.

Now on that terrible night, for two watches of that night, the slaves were still in Egypt, but the sound of the blood on the door posts marked them as not to be entered. This was forbidden territory for the Destroyer. Only after midnight did the command come to leave Egypt marshalled in ranks. The Lord showed me some time back that each year of the Hebrew calendar represented a watch in the night. It was in the year 5780 that He spoke to me that that particular year represented the evening watch. The year 5781 was the first watch of the night, which is from 6 to 9 p.m. 5782 in which we are now living is the second watch of the night (from 9 to 12 p.m.). By the time we get to the end of the second watch of the night, it's midnight. It's extremely dark in the world system. It was at midnight that the Destroyer passed over. And according to this timing that the Lord gave me, midnight would be about round about Rosh Hashanah, the beginning of the next Hebrew year, 5783. I don't know the exact date. I didn't look it up for you, but it's somewhere in September/October, depending which calendar you follow.

Is the Blood of the Lamb daily releasing a frequency from the door posts of your earthen vessel? You know, those Israelite slaves put the blood on the door posts of their houses at the beginning of the first evening watch. So, the whole of that dark night, the blood was speaking for them.

The blood of the spotless Lamb, Yeshua, was poured on the mercy seat in Heaven. And when you remember Him and you proclaim His death by taking communion, you create a connection point on earth with the mercy seat in Heaven, and the frequency of the Blood that is still speaking from that mercy seat is broadcast in the earth, over and through your earthen vessel. It arrests the entrance of dark matter. Dark frequency and dark sound cannot penetrate when the frequency of the Blood is standing guard at the

door posts of your life. It silences the voice of the accuser and the thief. And the Destroyer passes over you.

Pretty soon, we will move out of the world's system, marshalled in ranks, thrust out by decrees from governmental places, who will eject from society those who will not cooperate with the laws and the edicts they are passing. But until the time of that decree, the Blood of the slain Lamb is both your identification and protection. It has never been more important to understand the power of the Blood than in these days in which we walk.

When we partake of communion, we proclaim His death until he comes. The word 'proclaim' means 'to shout out like a town crier'. A town crier was a special servant of the palace, who went out usually with a trumpet of some sort and a big scroll. And then he would stand in the middle of the town square and shout, "Hear ye, hear ye". And he would read out the decree; the announcement that had been sent from royal quarters. It was an official announcement. When you are telling someone what you ate for lunch, you are not proclaiming, you are just speaking. But when you proclaim, it carries governmental authority. When you partake of communion, you are proclaiming the power and the sound of the Blood into the spiritual realm. You are saying to principalities and powers, "Hear ye, hear ye. This is what the blood of the Lamb is doing over my life today". So I want to read one of the scriptures that I mentioned in that list of words. It is Hebrews 13:20 and 21.

*'May the God of peace who brought again from among the dead, our Lord Jesus, the great Shepherd of the sheep, by the Blood of the eternal covenant, strengthen, equip and make you what you ought to be, and equip you with everything good that you may carry out his will.'*

How? How do you get strengthened and equipped with everything good to carry out His will? By the Blood of the everlasting covenant. The Passion Translation puts those verses like this:

*'Now may the God who brought us peace by raising from the dead our Lord Jesus, so that He could be the great Shepherd of the flock, and by the power of the Blood of the*

*eternal covenant, may He work perfection in every part of you, giving you all that you need to fulfil your destiny.'*

By the power of the Blood of the eternal covenant, He works perfection in every part of you, giving you all that you need to fulfil your destiny.

*'... And may He express through you all that is excellent and pleasing to Him through your life union with Jesus the Anointed One. Who is to receive all glory forever.'*

Praise God. So now. I want you to get your bread and your wine or your cracker and your grape juice, whatever you are used to taking. And let's break bread together.

Father, we thank you for the bridal price that was paid in Blood by our Bridegroom, Yeshua. We thank you that He considered us valuable enough to purchase us and translate us out of the kingdom of Darkness into the kingdom of the dear Son. We thank you that the payment of the Blood for each of our lives is recorded in heaven. We are part of the Bridal Company betrothed to the Lamb that was slain; betrothed to the One who's coming again in glory. We thank you that this is the sealing power of the new covenant that You made with us. We thank you that it is a Bridal covenant of provision and protection. Lord, we know that when a groom paid the price for a woman to become his betrothed, She automatically, came under his covenant of provision and protection. So, we thank you for the provision in this covenant. We thank you for the protection in this covenant. And Lord, once again, we want to say we are your bond servants. We dip our fingers in the wine and we touch our eyelids and we consecrate our eyes unto holy use. We consecrate our ears unto holy use. We decree and declare that we are your bond servants and we delight to do Your will. May You be glorified in and through our lives. We want to follow the Lamb wherever he goes.

And we thank you, Jesus, that You are the Bread of Life that came down from heaven, and that as we eat of this flesh; this bread, and drink of this cup, we live forever. We thank you that because we partake of this bread and the wine, we have a part in You. We have inheritance in You, our Kinsman Redeemer, our Boaz. We thank You that as we partake of this communion, You release all inheritance that has been locked up and inaccessible to us. We thank you that this Blood reconciles every area of our lives that has been out of alignment with You and it redirects it to the plumb line. We thank you

that this Blood wipes out the handwriting that has been written against us by the accuser of the brethren.

Thank you, Father, that you accept the payment of the Blood for our missing the mark. We ask you to forgive us for every area in which we've leaned on our own understanding, instead of asking Your counsel, for every area where we've acted in presumption and in pride. We ask You that You will accept the payment of the Blood for missing that mark. We ask you, Father that the frequency of the Blood would be applied to the door posts of our lives, that these earthen vessels would be carriers of the sound of the Blood. Would you saturate our beings with the sound of the Blood, Father, in the mighty name of Jesus.

Lord, as we partake of this wine, we ask that the sound of the Blood may go right down to atomic levels in our earthen vessels, into the nucleus of our cells; every area where our DNA has been broken down and eroded and interfered with. Flood every area in our earthen vessels where death has been at work. We pray that the sound of the Blood may be heard, that the sound of the Blood may be proclaimed, Father, and that it would silence every death frequency, every destruction frequency. Lord, we thank you for the re-ordering and the repairing of every area of our DNA by the sound of the Blood. In every area in our bodies where there is disease, we release the sound of the Blood to silence that sound of decay and destruction. And we release the sound of Life, Resurrection Life in every area of our bodies, from the top of our heads to the soles of our feet. Let the frequency of the Blood resound this day, Father, in the mighty name of Jesus, in the mighty name of Jesus.

We thank you that this day You give us our daily bread; our portion of the revelation of the Bread that came from heaven, that brings life in our body, life in our souls, and life in our spirits. We thank you, Holy Spirit, that You are the One who searches the deep things of God. We thank you that as we read the written word of God, You will break the bread of the written Word with us and open our eyes to see Jesus in the Word of God. We thank You that You give to us, Spirit of Truth, the revelation of the Living Bread that came from heaven, that brings life and rebukes death. We bless you for the Bread of Life that was broken for us, that we could be healed.

We thank you that all sounds of sorrow and mourning are silenced within our souls - even in our subconscious and in our unconscious minds, where there is the sound of weeping and mourning. We thank You that the sound of the Blood says, "Peace, be still," to those sounds. And we thank You that You give us the oil of joy for mourning and the garment of praise for the spirit of heaviness. We bless You and we thank You that we are those who are identified as the army of the Lamb, because of the sound of the Blood that marks our earthen vessels.

We thank You that every form of witchcraft, every spell, every incantation sealed in innocent blood, every enchantment, every word of death or cursing or destruction, every assignment of every water spirits, every demonic decree is silenced and falls to the ground ineffective as it meets the barrier of the sound of the Blood of the Lamb that covers and protects us, that protects our finances, that protects our physical bodies, that protects our emotional well-being, that protects all that pertains to us. We bless you and we praise you for the power of the frequency of the Blood of the Lamb. We thank You that no plague will come near our tent, this earthen vessel that we live in, in this earth. We thank you that it is protected by the sound of the Blood.

So, now let's partake of the bread and the wine together. An old song rises up in my spirit:

The Blood that Jesus shed for me  
Way way back on Calvary,  
that Blood that gives me strength  
from day to day,  
It will never lose its power.

For it reaches to the high mountain  
and it flows to the lowest valley.  
That Blood that gives me strength  
from day to day,  
It will never lose its power.

So, Father, we pray that You would seal within our spirits all that has been accomplished today. And we pray, Holy Spirit, that You would remind us to daily anoint

our earthen vessels and apply the sound of the Blood. Precious Spirit of Truth, would You amplify and increase and unfold and unpack these truths I've shared today. Would You plant them deep in the hearts of all who are listening and, Spirit of Truth, would you cause the roots of these truths to go so deep into the soil of the hearts of this remnant, that no matter the strength of the storm, they may have perfect peace, because they trust in You and the power of the Blood of the eternal covenant. Thank you that it strengthens and equips us and makes us what we ought to be, for Your glory alone. And I seal all these things in the mighty name above every other name, Yeshua, the Lamb of God. Amen.
