

Putting Together the Patchwork of His Counsel (26th June 2022)

In a recent vision (June 2022), I saw myself embroidering patchwork pieces together and then shaking out the quilt. As I did this, lightning bolts and sparks came out of the central, irregularly-shaped patchwork piece and the Lord explained:

“These are separate pieces of revelation that have stood alone and independent until now. But I will give you the thread to stitch them all together. And pretty soon the whole blanket will be shaken out!”

He then connected the vision to Job 38:12-15, which describes the positioning and rising of the dawn and the resultant exposing of the wicked in their hiding places. I have been asking the Lord what the central patchwork piece is, and today He revealed it as being a word I released just after the year 5778 began (Rosh Hashanah that year falling on Sept 20th 2017). Now you can fast forward and read that particular word below if you want to, but I am rather presenting to you exactly what the Lord showed me as I began to read it. Right away, in the first paragraph, the Spirit brought to mind another post I had released and he sewed it together with the first one. In other words, He was pointing out the first of the supporting patchwork pieces surrounding the central one. Why did He do that? Because He wants us to have understanding of the times. He wants us to have clarity concerning the season we are now in! The word released in 5778 was a seed, complete with DNA description of what would be brought forth at maturity.

We are now in the latter part of the fifth year since that message was released, with the Hebrew year 5783 starting round Sept 2022, depending on the calendar you are following.

Our being in the 5th year is an important point because it then connects to some surrounding revelation, which forms part of the patchwork pieces which hold the central piece in place. The Word of God must always be supported by other Scriptures when the Word is rightly divided. One cannot release prophetic words that just float around unconnected to the Word of Truth. One thing I am still learning as to the ways of God is His tendency to announce what He is going to do, before (sometimes decades before) it manifests in the natural realm. He tells us this in the following Scripture:

*Isa 46:9 [Earnestly] remember the former things, [which I did] of old; for I am God, and there is no one else; I am God, and there is none like Me, Isa 46:10 **Declaring the end and the result from the beginning**, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all My pleasure and purpose,*

This stitching together of the patchwork of different words previously released emphasises this way God works. He gives many individual puzzle pieces and one doesn't always have the privilege of seeing the completed picture on the puzzle box BEFORE you get the individual pieces. Each piece has value and truth on its own because it is a word coming from the mouth of God, but in the dispensation of the fulness of times, the Spirit of Truth begins to sew or pull everything together into one cohesive 'quilt', and as a result, a much deeper and richer perspective is imparted. He is presently busy doing this with some of the words given me in previous years, and I have no idea yet what the parameters of the full picture will be, but even the silver thread joining just two pieces together imparts a sudden increase of light and understanding.

Any quilt maker will tell you that the central piece of a quilt is very carefully chosen and shaped, because the whole pattern must have balance and be visually appealing and the central piece is where the eye focuses first before moving around to examine the pieces supporting it. In this 'quilt' the central piece is of the Spirit's choosing. To be honest, I had completely forgotten having releasing it!

This year 5782 being in the FIFTH YEAR since the release of the central patchwork word connects us to a message released in March 2010, called 'Weighing in on Fruit'. This post contains a principle and pivotal Scripture which gives us our bearings as to where we now stand. The fifth year was an important year for farmers. It was the year in which the fruit of the trees they had planted was finally released by the Lord for personal consumption:

*Lev 19:23 And when you shall come into the land, and shall have planted all manner of trees for food, then you shall count the fruit thereof as uncircumcised (untouchable) :three years shall it be as uncircumcised to you: it shall not be eaten of. Lev 19:24 But in the fourth year all the fruit thereof shall be holy to praise the LORD with. Lev 19:25 And **in the fifth year shall you eat of the fruit thereof**, that it may yield to you the increase thereof: I am the LORD your God.*

The fruit of the fourth year is holy to Lord and in 5th year one gets to eat the fruit. Jesus also said, "You shall know them by their fruit". The fruit of a man's life is evidence of what kind of tree he is. Is he of the seed of Christ or of Belial? The fruit of the fourth year was supposed to be for the Lord as a praise offering. This therefore means that in the 4th year (5781), the fruit of our lives was being examined and weighed in the balances as to whether it was fit for a praise offering to the Lord. Many were weighed and found wanting and only intercession stayed the hand of judgment for a LIMITED period in order to provide time for repentance, because God is merciful.

However, at the end of that time, during the fifth year, the fruit of men's lives will be picked, examined and the good fruit separated from the bad – and judgment can no longer be held back. Remember the hand that wrote on the wall declaring 'numbered, numbered, weighed, divided' to the Babylonian king? That very night, judgment was carried out. It could no longer be averted. In other words, he was a bad apple! The fruit of his life relegated him to the place of judgement unto death.

The Fall feasts in the Jewish calendar are at the time of the fruit harvests. First-fruits offerings of grapes (in the form of new wine), figs, pomegranates and olives (in the form of virgin olive oil) were lifted before the Lord. Obviously, only good fruit was set apart for the Lord. Jeremiah 24 describes a vision with a basket of good firstfruits figs and one filled with really bad figs and tells of God's different judgements for those whom these different baskets of fruit represented. Judgement can be either positive or negative; it can decree a season of blessing, increase and recompense OR it can announce the cutting down, silencing and removing into captivity, depending on the assaying of the fruit of that life. Take time to read that account in Jeremiah because, in it, we see the separation of good and bad fruit. They were numbered, numbered, weighed and divided according to whether their lives had good or bad fruit. The Word of God also tells us the following:

*Isa 3:10 Say to the righteous that it shall be well with them, for they shall eat the **fruit** of their deeds. Isa 3:11 Woe to the wicked! It shall be ill with them, for what their hands have done shall be done to them.*

So, we see the way we live bears fruit – either good or bad, depending on our choices. According to the law God laid down for fruit consumption in Leviticus 19, the fifth year is the one in which men get to eat or experience the resultant fruit of that which they have planted and tended in previous years. Depending

on the choices made and the lives lived; depending on the heart of each person, there is going to be a reaping of fruit... Bear in mind that Jeremiah 24 is written concerning those who called themselves the people of God. Yet a whole basket of very bad fruit was in evidence among them. That's quite disconcerting – that some very bad figs are hidden in amongst God's people! However, it was only when the fruit was picked and inspected, that one could determine the true state of the person represented.

We all know the story of Jesus looking for fruit on the fig tree after he cleansed the temple and finding none, cursing it. However, if we look closely at the timing of this event, we find it occurred after three years of walking the land of Israel ministering. The message of bearing FRUIT worthy of repentance was first given by John Baptist for 6 months before Jesus was revealed as the Lamb of God. Listen to John's message:

*Luk 3:7 Then he said to the crowd that came forth to be baptized by him, O generation of vipers! Who has warned you to flee from the wrath to come? Luk 3:8 Therefore **bring forth fruits worthy of repentance**, and do not begin to say within yourselves, We have Abraham for our father. For I say to you that God is able to raise up children to Abraham from these stones. Luk 3:9 And now also the axe is laid to the root of the trees. Therefore, every tree which does not bring forth good fruit is cut down and cast into the fire.*

This Scripture describes the axe as already lying at the foot of these trees. That means the axe has been taken out of storage already! Hewing down and fire is the portion of those not bearing fruit of genuine repentance and changed lives.

So, as the year 5782 moves towards its conclusion, it is good fruit of repentance that is being looked for. THIS IS THE PLUMBLINE BEING USED. Do our lives show evidence of changed hearts? There has been a long season of warning and calls to holy living – but how much fruit of these messages have been borne in people's lives? God's judgments are always based on fruit. The separation of the

sheep and the goats was based upon the fruit of people's lives, what they had been doing.

Mat 7:17 Even so every good tree brings forth good fruit; but a corrupt tree brings forth evil fruit. Mat 7:18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Mat 7:19 Every tree that brings not forth good fruit is hewn down, and cast into the fire. Mat 7:20 Wherefore by their fruits you shall know them. Mat 7:21 Not every one that says to me, Lord, Lord, shall enter into the kingdom of heaven; but he that does the will of my Father which is in heaven.

Real heart repentance produces a changed life AND fruit of that inner change is seen outwardly. What kind of tree are you? What fruit do you display?

Beloved, by the 5th year, Heaven has ordained that the fruit of what has been nurtured and watered since year 1 **WILL BE EATEN OR EXPERIENCED** from that year forward, for some years to come. That means, time and grace to respond to calls for repentance and produce fruit thereof has been given and God has been patient, BUT now it is assessment time and the rollout of consequences will be swift and complete, one way or the other. There are those who don't believe that God would turn His back on His hard-hearted unrepentant people but you only have to read Jeremiah 14 and 15 to realise that God's patience does come to an end.

Jer 14:10 Thus says the Lord to this people [Judah]: In the manner and to the degree already pointed out have they loved to wander; they have not restrained their feet. Therefore the Lord does not accept them; He will now [seriously] remember their iniquity and punish them for their sins. Jer 14:11 The Lord said to me, Do not pray for this people for their good. Jer 14:12 Though they fast, I will not hear their cry; and though they offer burnt offering and cereal offering [without heartfelt surrender to Me, or by offering it too late], I will not accept them. But I will consume them by the sword, by famine, and by pestilence.

The time of warning is now essentially over for the Body of Christ. Judgement

must now begin with God's people. Take a moment and let those words sink in... The Righteous Judge is arising now to execute His perfect judgements.

Those who have heeded the watchmen's calls, have been progressively aligning their lives to a plumbline of holiness. The deliberately deaf have continued on, unmoved by the warnings. What this examination of fruit really entails is determining whether we are found worthy to escape the things coming on the earth and to stand in the presence of the Son of Man, our Bridegroom. – whether we are truly His, set apart and holy to the Lamb OR living with one foot in Babylon, full of mixture and compromise, yet naming ourselves as children of the Lord.

When you read the word below (the central patchwork piece) which was released almost 5 full years ago, it details the rolling out of a process of separation, which has been increasing during these intervening years – a separation within the hearts of His people and finally, an outward, visible separation according to the fruit of this process in each life. This word declares THE END FROM THE BEGINNING – a measuring and resultant judgment of the fruit of people's ways.

My prayer is that the word I released for 5778 and beyond would trigger memories of how the Spirit of Holiness has led you these past 5 years, of the decisions you have made towards light and truth, making you recall your movements out of mixture and into a wholehearted setting apart for the Bridegroom. In my next message, I will detail some other patchwork pieces supporting its contents and how the stitching together with the silver thread of Truth brings a cohesive full message (quilt) which can be shaken out and resounded in the earth as His righteous judgements are executed.

Beloved, I know this is a VERY long post, so please pause, have a cup of coffee, get some fresh air and then come back and continue with the central patchwork piece 😊 We are going to repeat or RE-MEMBER the sound issued forth at the beginning of this 5-year period. It is the DNA or blueprint of what will manifest in fullness in the days we now walk through.

[The Year 5778 and Beyond \(released in Nov 2017, 55 months ago\)](#)

I have been listening to what the Spirit is saying about this year 5778 and putting the various aspects into a cohesive picture since August 2017. I am sure He will unveil more as the year goes by, but I would like to share the puzzle pieces I am hearing so far. I find it varies somewhat from what many prophetic voices are hearing, in that many are saying that it is being referred to as the year of the open door. They take this from the shape of the eighth Hebrew letter, Chet. However, the Hebrew letter connected with a door is actually the 4th letter, Dalet. The 8th letter Chet is pronounced 'ghate', like 'gate' and its pictograph looks like a wall or a fence. It is the number associated with love, grace and wisdom, and of course new beginnings. It is also the number connected with the entrance to covenant, as Isaac was circumcised on the 8th day.

I am hearing that this 8th letter is not a reference to an open door into something new within ministry circles within the organized church as it stands, as some are saying. I believe that, considering its pictograph, it refers more to a gate in the wall surrounding Jerusalem or the church - and those who are set apart unto the Lord are being CALLED OUT OF THE MIXED MULTITUDE and into the safety of being walled or fenced in as a flock by the Lord, as they become completely set apart or separate in these days. The following scripture comes to mind:

Mic 2:12 ...I will surely collect the remnant of Israel. I will bring them together like sheep in a fold, like a flock in the midst of their pasture. They shall swarm with men and hum with much noise. Mic 2:13 The Breaker will go up before them. They will break through, pass through the gate and go out through it, and their King will pass on before them, the Lord at their head.

Notice that passing through the gate is mentioned, and a GOING OUT rather than a coming in at that gate. In Chapter 11 of my book 'Give Me Back My Wife', I spoke of the journey which the Bride (depicted by Michal) must make out of Jerusalem and away from the unclean House of Saul and her natural family associations, towards the House of David (and her bridegroom) - and I would highly recommend you reading this, even if you can only afford the e-book, as it lays the foundations for the reasoning undergirding separation unto holiness in this hour. (I may share it as an audio reading shortly, in the context of the surrounding patchwork pieces).

On the 2nd day of Rosh Hashanah 5778, I had a dream in which I was informed that Christine Aguilera had fired all her coaches. As I was told this, I saw her playing tennis. When I awoke, I was a bit puzzled as I neither listen to her music,

nor follow her activities, and she is a singer, not a tennis player. As I prayed about it, the Lord showed me that in the dream she represents those in the church system who have been performing and releasing a sound which has been shaped by those who guide or teach them, the coaches so to speak. These coaches want her music to make money and therefore what she releases must be trendy and appeal to the masses. Playing tennis refers to playing the game. It involves volleys with an opponent but is played within a fenced area. The coach watches every move.

Christine means 'dedicated follower of Christ' and Aguilera means 'place of eagles'. So, her whole name depicts someone intended to be following the direction of Christ, rather than coaches, and dwelling in the place where the eagles live! The Lord began to speak to me that this year 5778 is the year in which the controlling voices with agendas of their own, and the self-serving guides which have the ear of the Bride, are going to be given notice. And it is the Bride herself, the one who is intended to be dwelling with the eagles, that is going to fire her coaches herself. She is going to stop playing the game and performing for others and she is going to only release the sound that Christ wants her to release in the place she was destined to dwell. The place of eagles could also be described as the place where the eagles will be gathered together, normally on the spiritual heights. We find this in the following scripture:

Mat 24:27 For just as the lightning flashes from the east and shines and is seen as far as the west, so will the coming of the Son of Man be. Mat 24:28 For wherever the dead body may be, there the eagles will be gathered.

Why are the eagles gathering here? Because there is fresh meat available!! The dedicated followers of Christ, those with prophetic vision like the eagle, will gather together where there is meat. The phrase about the eagles gathering is also recorded by Luke:

Luk 17:36 Two will be in the field, the one will be taken and the other will be left. Luk 17:37 And answering, they said to Him, Where, Lord? And He said to them, Where the body is, there the eagles will be gathered together.

Both passages involve a discourse about the endtimes and the Lord's coming. Yet, the word used for 'body' is a different word in these two books. Matthew uses 'ptoma', which means 'dead body' and Luke uses 'soma', which means 'sound, whole body or slave'. Yet these two words refer to the same event. How

is that possible? Because a slave is dead to his own will and desires. The eagles gathering are bondslaves of the Bridegroom, they are the dead body where eagles gather. The Greek word 'soma', which Luke uses comes from the root word 'sozo', which means 'to save, deliver, protect, heal, preserve'.

The woman in Revelation 12 who flees to a place where she is fed on fresh meat and kept safe for 3 & 1/2 years is carried on eagles wings!! She is delivered from the dragon and preserved and protected. The year 5778 is the year when the Rev 12 sign appeared in the sky, announcing the season of the fulfilment of this Scripture lay directly ahead.

Strong's Dictionary H5778 is the word 'birdlike'. Its root means 'to cover (with wings or obscurity); flee away, fly away, shine forth'. Therefore 5778 is the year of the eagles moving towards a gathering place, the year announcing His remnant being carried upon wings to safety, of being covered by His wings as you dwell in the secret place of the Most High, delivered and protected. It is the year of the bondslave eagles beginning to be fed on true meat as they gather together and fellowship in the place prepared. We find this confirmed when we look at the word 'taken' in Luke 17:36. It means 'to bring near'. If one reads the verses about there being two in a field and one being taken, in context in the whole discourse, we see that the Lord references both Noah and Lot. In both these instances, it was the righteous who were taken near (not off the earth altogether, but removed from danger), but the wicked were left to be destroyed by the flood or the fiery judgments. Lot was taken to safety but his sons-in-law were left to destruction. Just as the remnant is gathered in the sheepfold (Hebrew is 'Bozrah') and protected by the Shepherd, so too those 'taken' in Luke 17 are brought near, with the view of protection during the unfolding of dangerous endtime events. Psalm 91 refers to the same thing:

Psa 91:4 He will cover you with His pinions, and under His wings shall you trust and find refuge; His truth and His faithfulness are a shield and a buckler.

The pattern of God carrying His people on eagle's wings is found early on. We first hear about the wings of this Great Eagle in Deuteronomy 32:

Deu 32:9 For the Lord's portion is His people; Jacob (Israel) is the lot of His inheritance. Deu 32:10 He found him in a desert land, in the howling void of the wilderness; He kept circling around him, He scanned him [penetratingly], He kept him as the pupil of His eye. Deu 32:11 As an eagle that stirs up her nest, that

flutters over her young, He spread abroad His wings and He took them, He bore them on His pinions. Deu 32:12 So the Lord alone led him; there was no foreign god with Him. Deu 32:13 He made Israel ride on the high places of the earth, and he ate the increase of the field; and He made him suck honey out of the rock and oil out of the flinty rock...

And once again, we see the Lord providing wings to those who are His portion, to carry them to safety, in Revelation 12, as destruction is sent their way.

What else does the number 5778 speak of? Thanks to science, we know that the temperature of the surface of the sun is 5778 degrees. In this year 5778, the Sun of Righteousness is beginning to rise with healing in His wings for those who fear His name, during the day that burns like an oven. Interesting that the full heat of the sun is also used to describe judgement of the wicked. (Remember the sun rises by degrees and is only seen and felt in its full strength once the dawn has come and it appears over the horizon, but even BEFORE the visual appearing of the sun/Son, the brilliant light that surrounds and accompanies His coming begins to drive back the darkness, exposing the hiding place of the wicked, and increasing our ability to see clearly where we are positioned and what is happening around us.)

Once again in Malachi 4, as the Sun of Righteousness is rising, there is the mention of wings, but this time it is a reference to the fringed hem of the Bridegroom's prayer shawl, as He envelops His Bride at their wedding, while they say their vows. Remember that one of the words used for 'body' in Luke 17 comes from a root, meaning 'to heal'. For those who fear the Lord, healing is coming and it is part of the Bride's inheritance from her husband, released as they become one.

Year 5778...the number 78 is significant in many ways this coming year and the ones that follow. Every Hebrew letter has a numerical value that reveals hidden truth for His people. 78 is the gematria for the Hebrew word for "bread" (lechem), which also means 'meat' or 'fruit' and comes from the root word meaning 'to overcome or prevail'. The Lord is about to give hidden manna and feed the woman in the wilderness with meat or bread. She is carried on a Giant Eagle's wings to the place where the eagles gather, the place of strong meat, as opposed to the milk of the Word. However, lechem also means 'war' and so we are entering the period when there will be war in heaven and the dragon will go to make war with the remnant (as Rev 12 describes).

During Tabernacles, my husband and I went camping with friends. We were transported in their vehicle and slept in a compartment of their tent. They paid all the camping costs and all we had to bring was our own meat and bed linen. The site was next to a broad river and fishermen stood along the banks (which reminded me of Ezekiel 47). While I was fellowshiping with the Lord at the river edge, He pointed out that we were enacting a living parable of Rev 12 and being brought to the place prepared. He said, "Remember you only had to bring your own meat and bed linen. That is how it will be in the 3&1/2 years. There is a place prepared for you, a shelter provided for you, but each one will carry meat within them and feed one another on the revelation of Christ they carry within. This is how you will be fed and watered in those days after fleeing from the dragon, on the living water and meat within the other eagles who gather. It is meat reserved for such a time as this, just as there was manna stored up in the golden jar within the ark of My presence, so too the vessels of gold will nourish many with the contents of their hearts, hidden manna for such a time as this."

Another Hebrew word that has a gematria of 78 is 'mabbul', which is the word for "flood" used in Genesis 6:17. There were 8 saved through that flood. Remember also the dragon releases a flood to destroy the woman. It comes out of his mouth, depicting a release of fiery words intended to destroy, words of death and destruction. Remember Christine Aguilera and the sound which her coaches wanted her to release. I suspect the flood from the dragon's mouth will come forth from the mouth of vessels within the ranks of the organized Church system after the woman, the dedicated follower of Christ alone, abandons her coaches and moves toward the gathering place of the eagles to feast on true meat.

Author A. W. Tozer wrote: `Let me go out on a limb a little bit and prophesy. I see the time coming when all the holy men whose eyes have been opened by the Holy Spirit will desert worldly Evangelicalism, one by one. The house (institutional Christianity) will be left desolate and there will not be a man of God, a man in whom the Holy Spirit dwells, left among them.'"

I want to bring to your attention something very significant which happened in the week before Rosh Hashanah 5778. The event was a graphic sign of what is coming in the organized church system and it will help you understand why the safest place to be is outside those walls and in the shelter of the Most High in the place prepared. On the 18th September (27th Elul, which is the anniversary of the 3rd day of creation) a fashion designer named Dilara transformed St Andrews Church, in London, into a graphically satanic runway, complete with masonic and occultic symbols. In this Satanic Fashion show, held openly in this Anglican church, all outfits were graphically satanic in design. One model was depicted as a bride with a sigil on forehead, depicting the seal of satan. So, we can see clearly that in the coming days, the bride of satan will be parading right in the church!! The place which the models in their vile garments emerged from was the altar of this church. Therefore, this is a prophetic sign of the altar within the Church being defiled and, what is more, permission was given by those in authority in this branch of the organized church system for this to happen, because of their gross ignorance of what was about to unfold. They had no understanding of the times and so did not know what they ought to do. It was nothing less than a satanic Black Mass which was carried out. A sigil is a painted symbol believed to have magical power and the particular symbol on the model depicted as a bride is reminiscent of the sigil of Lucifer. Yes, the Lord has those who have His name on their foreheads and satan has his counterfeit bride, marked with his vile brand.

Through this prophetic sign, we see that it is those in authority who open the door to satanic invasion of the altar. Perhaps this depiction is also another way of viewing the abomination that causes desolation being set up in the holy place... The 3rd day of creation is the day when the waters are drawn back and the seed already in the earth sprouts and brings forth fruit after its kind. This abominable event foreshadows the revelation or unveiling of earthen vessels who carry the seed of satan and wear his garments right within the walls of the church system. Jesus warned us that our enemies will be the members of our own household. This indicates that, until their true heart conditions are revealed, they function amongst the family like any other member. Then, just like Judas, one day, their hearts become fully possessed and they arise from the communion of the saints and set about their acts of betrayal.

Absalom too grew up favoured in the house of King David. No-one would have guessed that he had the potential for great evil and unfaithfulness. Yet David and his faithful ones had to flee the place of jealousy and the lust for power and position. Remember it was satan who first desired the throne that was not rightfully his to take. So, we see that Absalom was revealing that he was of the seed of satan, thriving right in the household of the rightful king. James 3 tells us that where there is jealousy and selfish ambition, there is every evil work.

It is not time to stay and fight for one's position and rights at this juncture. The journey of those who are of the house of David in heart is AWAY from Jerusalem and towards the wilderness from this year 5778 onwards. Why does the house of David have to flee? Because jealousy and selfish ambition opens the door to demonic wisdom operating within the circles in Jerusalem, a type of the church – and this demonic wisdom can be very persuasive. It even got one of David's trusted counsellors to turn against God's anointed and support Absalom's cause.

On the day after the Revelation 12 sign appeared in the sky (Sept 23rd 2017), I had a dream in which I was riding on the back seat of a tandem bicycle at noonday, and as I looked at the horizon to my right where the sea was, I saw the sun going down in broad daylight against a black sky. I shouted to someone lying on a couch to take a photo with my phone, but they couldn't get the hang of it and by the time I got to them, the sun has disappeared. The sky was not black like during a storm or at night. It looked as if someone had taken a colouring pencil and coloured the sky in very badly to give a black impression.

Amo 8:9 And it shall be in that day, declares the Lord God, that I will cause the sun to go down at noon, and I will darken the earth in light of the day.

Amos 8 describes the unfolding of a day in which the sun goes down at noonday. Let's go back to the beginning of the chapter to learn more about what this dream is showing:

Amo 8:1 The Lord God made me see this: And, behold, a basket of summer fruit! Amo 8:2 And He said, Amos, what do you see? And I said, A basket of summer fruit. And the Lord said to me, The end has come on My people; I will not again pass over him any more. Amo 8:3 And they will howl the songs of the temple in that day, declares the Lord God. The dead bodies shall be many; in every place one shall throw them out, saying, Hush!

A basket of summer fruit tells us that the picking has already happened. When the harvest has come, separation between good fruit and bad is inevitable. The Lord is saying that the time of harvesting what one has sown is now here. There is going to be no more time of extended grace for repentance. This is a confirmation of what I shared before about hearing 'the time for grace is coming to an end'. The good apples and the rotten ones are going to be plainly apparent.

The black colouring in of the sky by a human hand in my dream indicates that something humanly engineered will bring on the day of darkness, and it will not be very convincingly done. On 1st Oct, a gunman (or more than one) opened fire on crowd of 22000 at the Harvest 91 country music concert and the aftermath revealed dead bodies everywhere (as Amos 8:3 describes). However, in the days that followed, the inconsistencies in official media reports versus eyewitness reports, coupled with the strange deaths of key witnesses just before public announcements which they planned, leads me to believe that this was a false flag event – by the hand of man, a black day was orchestrated, just like in my dream. The dead bodies were many in multiple places, but as Amos 8:3 describes, everything is being hushed up.

The dictionary tells us that a black day is a day that marks a sad or unfortunate event. This time, it seems it was deliberately orchestrated by heinous individuals for their own nefarious purposes. Oct 1st is 91 days to the end of the year and is before the harvest moon, a time of great celebration in pagan circles. The Route 91 Harvest Festival turned into a harvest of human beings. In pre-Christian religions, humans were sacrificed to the dark gods during the autumn harvest. Those who are trying to engineer the New World Order are known to be involved in pagan practices. And our God is known for allowing His enemies to carry out their plans for a season, against His errant people, while seemingly remaining silent, before He rises and deals strongly with the perpetrators.

Micah 7 also speaks of the summer fruit having been harvested, after which the enemy causes havoc, and he warns about enemies in one's own household:

Mic 7:1 WOE IS me! For I am as when the summer fruits have been gathered, as when the vintage grapes have been gleaned and there is no cluster to eat, no first-ripe fig for which my appetite craves. Mic 7:2 The godly man has perished from the earth, and there is none upright among men. They all lie in wait for blood; each hunts his brother with a net. Mic 7:3 Both their hands are put forth and are upon what is evil to do it diligently; the prince and the judge ask for a bribe, and the great man utters his evil desire. Thus they twist between them [the course of justice]. Mic 7:4 The best of them is like a brier; the most upright or the straightest is like a thorn hedge. The day of your watchmen, even of [God's] judgment and your punishment, has come; now shall be their perplexity and confusion. Mic 7:5 Trust not in a neighbor; put no confidence in a friend. Keep the doors of your mouth from her who lies in your bosom. Mic 7:6 For the son dishonors the father, the daughter rises up against her mother, the daughter-in-law against her mother-in-law--a man's enemies are the men (members) of his own house.

As I pondered these awful events in Las Vegas, the Lord began to speak to me about the harvest 91 slaughter versus the psalm 91 company. One was a place of extreme danger and the other of total safety, as those who are hidden witness the reward of the wicked. I am not saying the people at the concert were wicked, but they were focused on entertainment and the pleasure of the flesh, as opposed to the things of the Spirit. Therefore they didn't have understanding of the times, even when warned. Some eyewitness reports on October 1st said that, contrary to the previous two nights, on that fateful night, the exit gates round the concert ground were locked, which made it extremely difficult for fleeing concert-goers to escape the bullets. There was also a woman who went round telling people 45 minutes before the massacre that they were all going to die. Saints, it's important to flee the dragon before he has you in his sights, before the gates are locked. When you hear a warning from the prophets that death is coming to those who stay transfixed by the entertainment on the stage in institutional Christianity, heed it and flee, while there is still time. Don't get caught up in the performance mentality. Remember the follower of Christ from the place of the eagles who fired her coaches and stopped being a part of the game. What is our response to all this horror to be then?

Mic 7:7 But as for me, I will look to the Lord and confident in Him, I will keep watch; I will wait with hope and expectancy for the God of my salvation; my God

will hear me.....

Mic 7:13 Yet shall the earth be desolate because of those who dwell in it, for the fruit of their doings. Mic 7:14 Rule and feed Your people with Your rod and sceptre, the flock of Your inheritance who dwell alone in a forest in the midst of Carmel [a garden land]; they shall feed in Bashan and Gilead, as in the days of old.

Note that the flock of His inheritance is being ruled and fed in a forest. The word 'feed' means 'to dwell with as a friend' and the word for 'rod' also means 'pen'. It speaks of writings being released which feed the flock of His inheritance. And note it is not in the city that they are fed, but separated and dwelling alone in a forest. The Hebrew word 'forest' also means 'honey in the comb' which speaks of revelation being released to the King's household who are separated from the rest of Jerusalem. They will be led and fed in the good old paths.

So, to summarise, the year 5778 will see the beginning of separation of the remnant from the defiled courts of modern-day institutional Christianity. It is the year launching the season when a man's enemies will be revealed as members of his own household; when the covers are drawn back and the tares sown by the enemy openly display their evil fruit right in the walls of the church system. It is the year announcing that the manchild will soon be fully brought forth, which releases the woman to flee from the face of the dragon into the place prepared for her. It is the year of the remnant firing or removing the influence of the false prophets and performance-oriented teachers and the moving toward the place of the gathering bondslave eagles, to share in the meat that each carries within them. It is the launch of fast approaching years of miraculous provision and protection. It is the year telling us we will soon be borne on the wings of our Giant Eagle. It is the year announcing that we will see the wicked destroyed by the flood of perversion and the righteous brought through it safely, by being in the shelter of the Most High. It is the year trumpeting the coming of the Sun of Righteousness rising with healing in His wings for those who fear Him and most important of all, it is the year in which those who are truly of the house of David, as Jesus was, begin to move outside the city as he did, bearing the shame as a badge of honour.

As David fled Jerusalem, he was cursed right to the river Jordan by someone from the house of Saul. Do not be surprised if curses are raised up against you from the same source as you flee to the wilderness, but know God will turn them to blessings as you remain humble and answer not. 5778 is the year announcing

the launch of the separation process, finally culminating in sealing; the year of beginning to identify which army we are truly a part of, the sons of Zion or the sons of Greece; the year that launches the period which will ultimately reveal what name is upon our foreheads.

.....
Remember this, saints – separation or sifting is a process. There is a time of chaotic movement during which one cannot tell who belongs where. Even on the threshing floor, the separation of chaff from grain takes time. The winnowing fan must be thrust in and tossed multiple times before there is finally a heap of separated grain and much scattered chaff. Those who carry spiritual weight and nourishment are separated from those with outward structure but no substance of value by the wind of the Spirit.

Amo 9:9 For behold, I will command, and I will sift the house of Israel among all nations and cause it to move to and fro as grain is sifted in a sieve, yet shall not the least kernel fall upon the earth and be lost [from My sight]. Amo 9:10 All the sinners of My people shall die by the sword, who say, The evil shall not overtake or meet [and assail] us.

Isaiah 66 tells us the voice of the Lord will be heard in His temple rendering recompense to His enemies. Strange that enemies are in the temple... John the Baptist declared that Jesus would appear with His winnowing fan in His hand to THOROUGHLY CLEANSE his threshing floor. It is God Himself Who instigates the sifting and separation, using whatever winnowing fan He chooses. Use the remaining months of 5782 to press in, align and consecrate yourself fully as a holy vessel. The Righteous Judge who sees all hearts is taking stock, surveying His troops and issuing His assessments. Be found on your face, crying “Holy, holy, holy is the Lamb”.
