

# The Green Gold Calf ~ 9<sup>th</sup> Nov 2022

## [AUDIO VERSION](#)

Precious remnant,

This is a long post but it covers an incredibly important topic. Many of you will have heard by now of a 12-day event organized by an interfaith entity called the Elijah Institute - The COP 27 Summit, and you may also have heard of the intention to ascend Mount Sinai on 13<sup>th</sup> Nov 2022. For those who haven't, between November 6 - 18, 2022, the UN climate conference COP 27 is taking place on the Sinai Peninsula, in Sharm El Sheikh, Egypt. You can read about this at <https://interfaithsustain.com/returning-to-mt-sinai/>

Religious leaders from all over the world will gather at a place marked on world maps as Mount Sinai or Jabal Musa (mountain of Moses) in Egypt, in a "movement of repentance and quest". The Elijah Institute brings together some of the world's most prominent religious figures from Judaism, Islam, Christianity, Buddhism and the Religions of India – notice that thrown in amongst them are some religious leaders who claim to worship the Lord Jesus Christ as the Son of God. This mixed bag of religious leaders is seeking "...a new vision for humanity and its endangered existence, and we seek to receive and amplify a message of life-sustaining living and habits that humanity needs to hear today. In this spirit, the project partners will bring together premier religious leaders from the world's major religions to gather upon Mount Sinai to engage in a first ever Climate Repentance Ceremony, and to put forth a

*prophetic interreligious call to action: "Climate Justice: Ten Universal Commandments."*

**DID YOU GET THAT? THEY ARE GOING TO COME UP WITH AN ALTERNATE TEN COMMANDMENTS TO THE ONES GOD ALMIGHTY AUTHORED! WHAT BLASPHEMY!**

Interestingly, the Egyptian government chose not to permit the main interfaith event to be held at Jabal Musa due to security concerns so the central venue for Sunday's events was changed to London, a location that was readily accessible to faith leaders around the world and is a major media hub, as well as other locations. The London climate repentance ceremony will involve world religious leaders, primarily from the Elijah Board of World Religious Leaders.

**A small group of faith leaders will still be allowed to ascend Jabal Musa and hold a repentance ceremony as originally planned on November 13<sup>th</sup> 2022.**

Concurrent faith-based events will be held at Mt. Abu India, Rishikesh in the Himalayas, New York City, Ecuador, Germany, Vienna, Salt Lake City, Mount St. Francis in Indiana, and Australia, joining faith leaders from many denominations including Christianity, Islam, Judaism, and others.

**Note: 10 locations! Remember the ten toes of the Nebuchadnezzar statue**  
**The organizers have also urged houses of worship around the world to join in at the same time on Sunday with prayer and study focused on this "transformative moment to protect our environment."**

**Now what follows is extremely important for you to know:**

- The area of the real Mt. Sinai of **Exodus 19-20** is in Saudi Arabia across from Nuweiba, Egypt. **The Real Mount Sinai** is the uniquely blackened mountain peak that is locally called **Jabal Maqla** (the Burned Mountain). Mount Horeb is called **Jabal al-Lawz** (the Mountain of Almonds), which is the highest peak in the area next to the city of Al Bad, Saudi Arabia. (<http://realmountsinai.com/explore/sinai>)
- The area is fenced in all around and guarded by the Saudi government and they limit access to the area. The Elijah Institute has planned to walk to the top of "Mt. Sinai" – the fake Mt. Sinai in the Sinai Peninsula, Egypt - which was what the Catholic Church called "Mt. Sinai". The Jabal Musa (mountain of Moses) in Egypt is where this world government group will be ... whose

representatives will climb it, repent of harming the planet, and proclaim 10 new commandments – in their eyes – erasing the Ten Commandments of the Bible.

- Along with other false locations, it is believed by many that the crossing place was at Sharm El Sheik at the tip of the “Sinai Peninsula” in Egypt. That was the intended location of the U.N. Conference from November 6-18.

Very significantly, November 13, 2022, is Cheshvan 17 in the Hebrew calendar that watches for the sighting of the new moon to begin the month (the orthodox Hillel calendar is two days ahead of that date because it is predetermined for years in advance).

**In Genesis 7, THIS is the day God sealed Noah in the ark as the judgement by water began to be unleashed.**

So, firstly, satan is a counterfeiter, and, true to character, he is choosing to use a counterfeit ‘mount Sinai’ to introduce counterfeit 10 commandments. Welcome to the new one world religion – it’s called ‘climate change’. And it seems that the counterfeit is endeavoring to remain true to the original story in the Word of God, which also entailed a gathering of leaders.

On the real Mount Sinai, 70 elders and 5 other men feasted before God and lived to tell the story for a brief time. (Joshua, the servant of Moses was not mentioned, but as he later ascended higher with Moses, he was obviously there in the wings during the feast, serving his master).

*Exo 24:9 Then Moses, Aaron, Nadab, and Abihu, and seventy of the elders of Israel went up [the mountainside]. Exo 24:10 And they saw the God of Israel and under His feet it was like pavement of bright sapphire stone, like the very heavens in clearness. Exo 24:11 And upon the nobles of the Israelites He laid not His hand but they saw God, and ate and drank.*

You could call this a 'summit' – it certainly was the peak of their life experience up to that point. Only problem is, you would think that would improve their relationship with God... but a short time later, all but 3 of them (Moses, Joshua and Aaron) were found dancing round the golden calf at the base of the mountain. And we all know how that turned out for them....

So, it's obvious from the fruit of their lives that idolatry was hidden deep in their hearts. And now, as the current counterfeit, occultic endeavor takes place on the fake Mount Sinai, idolatry also resides deep in the hearts of the participants. The worship of mother earth, including the forming of a one world interfaith movement AND the deliberate casting away of the restraints of God's ten commandments, the repentance for 'sins' against mother earth, plus the deliberate crafting of counterfeit tablets displaying the ten climate change commandments is idolatry in its highest form.

Now, one quite expects pagans to be involved in idolatry – after all, it is what they do! They worship idols created by their own hands, conjured up by their own imaginations and to suit their own delusions. However, when those who profess to be servants of the One True God participate in such rituals, it is another matter altogether. They can only be termed as those who 'swear falsely by My Name' as Zechariah 5:4 describes. They have the name of being Believers, but, in reality, are of the synagogue of Satan. You have only to look at the logo of the Elijah Institute COP Summit 2022 to know that what they are involved with is what was shown to Ezekiel in Ezek 8:

*Eze 8:15 Then said [the Spirit] to me, Have you seen this, O son of man? Yet again you shall see greater abominations that they are committing. Eze 8:16 And He brought me to the inner court of the Lord's house; and behold, at*

*the door of the temple of the Lord, between the porch and the bronze altar, were about twenty-five men with their backs to the temple of the Lord and their faces toward the east, and they were bowing themselves toward the east and worshipping the sun.*

Those ten commandments written by the finger of God at the real Mount Sinai were part of the marriage contract between God and His people. The people declared they would participate in this marriage covenant by saying, "I will" (Exodus 24:3). I have to ask you, which deity are participants entering into a marriage covenant with at this 2022 summit? Remember it is a counterfeit of the marriage covenant of God with His people. Which god is motivating his followers to attend a gathering of leaders on 'Mount Sinai' so they can receive the 10 new commandments?

Elohim came down in fire on the real Mount Sinai and the people trembled at the sight. This is a God Who demands faithfulness to His marriage covenant. Idolatry is spiritual harlotry and therefore the golden calf incident elicited the judgement decreed for an unfaithful wife (Num 5). This is why Moses ground up the golden calf and made the offenders drink it with water – described as 'bitter water' in Numbers 5. After this, the call went out by Moses, "whoever is on the Lord's side, stand with me". Those who did not respond were slaughtered.

I have been feeling strongly all day that those who name themselves by the Name of the Lord but who participate actively in some way with the Elijah Institute Summit on Sunday 13<sup>th</sup> Nov, will be in line to receive strong, swift judgement, for it is written that judgement begins with the house of God. Those who have declared they serve Jesus but who dance around the golden calf of climate change will find the axe laid at the root of the tree.

*Jer 7:9 Will you steal, murder, commit adultery, swear falsely, burn incense to Baal, and go after other gods that you have not known, Jer 7:10 And [then dare to] come and stand before Me in this house, which is called by My Name, and say, [By the discharge of this religious formality] we are set free!--only to go on with this wickedness and these abominations?*

On Cheshvan 17<sup>th</sup>, God's faithful servants were SEALED in the ark and the decreed judgement by water was unleashed, but this time, the world is appointed judgement by FIRE. As incredible blasphemy takes place this Chashvan 17<sup>th</sup>, albeit on the counterfeit 'Mount Sinai', it would be foolish to think this would not elicit a response from the God who demands faithfulness from His followers. And it is those who call themselves followers of Christ who will be dealt with first. The God who descended on Mount Sinai in FIRE with execute His fiery judgement against all those who swear falsely by His Name.

In Revelation chapter 7, we have the description of the SEALING of the bondservants of God and in Revelation chapter 8, the unleashing of the beginning of the judgements of FIRE. As you read it, notice how often in this chapter, FIRE is mentioned! And again, in Isaiah 66, God speaks of the acts of a hypocrite's worship and the response by Heaven:

*Isa 66:15 For behold, the Lord will come in fire, and His chariots will be like the stormy wind, to render His anger with fierceness, and His rebuke with flames of fire. Isa 66:16 For by fire and by His sword will the Lord execute judgment upon all flesh, and the slain of the Lord will be many. Isa 66:17 Those who [attempt to] sanctify themselves and cleanse themselves to enter [and sacrifice to idols] in the gardens, following after one in the midst, eating hog's flesh and the abomination [creeping things] and the [mouse--their works and their thoughts] shall come to an end together, says the Lord.*

Notice, also, the description of the Man Who shows Ezekiel the idol image of jealousy set up in the temple of God:

*Eze 8:2 Then I beheld, and lo, a likeness of a Man with the appearance of FIRE; from His waist downward He was like FIRE, and from His waist upward He had the appearance of brightness like gleaming bronze. Eze 8:3 And He put forth the form of a hand and took me by a lock of my head; and the Spirit lifted me up between the earth and the heavens and brought me in the visions of God to Jerusalem, to the entrance of the door of the inner [court] which faces toward the north, where was the seat of the idol (image) of jealousy, which provokes to jealousy.*

Leaders and faith leaders from MANY NATIONS are participating in this climate summit, and therefore the judgement unleashed because of this horrendous idolatry will be executed on the WHOLE GLOBE.

## A Counterfeit Deliverer

Now, let's just dig a bit more into the incident with the golden calf. Aaron declared that it was one of the Egyptian gods which the Israelites had committed spiritual adultery with that had brought them out of Egypt. What a horrific statement – complete blasphemy!! God Almighty had protected them as the Destroyer passed over, killing the firstborn of Egypt and then opened the Red Sea to provide a supernatural path of deliverance, while at the same time, destroying the troops of Pharaoh that pursued them.

*Exo 32:2 So Aaron replied, Take the gold rings from the ears of your wives, your sons, and daughters, and bring them to me. Exo 32:3 So all the people took the gold rings from their ears and brought them to Aaron. Exo 32:4 And he received the gold at their hand and fashioned it with a graving tool and made it a molten calf; and they said, These are your gods, O Israel, which brought you up out of the land of Egypt! Exo 32:5 And when Aaron saw the molten calf, he built an altar before it; and Aaron made proclamation, and said, Tomorrow shall be a feast to the Lord.*

So, Aaron fashions an Egyptian idol and then builds an altar to the God of Heaven and earth in front of it and says they will worship Yahweh and celebrate a feast to Him! That is a depiction of some sort of hybrid idolatry – an amalgamation of true worship as accepted by God Almighty and gross idolatry. Severe judgement was meted out on all who took part in this shocking episode and yet, we find that king Jeroboam repeated this blasphemy many years later:

*1Ki 12:28 So the king took counsel and made two calves of gold. And he said to the people, It is too much for you to go [all the way] up to Jerusalem. Behold your gods, O Israel, who brought you up out of the land of Egypt. 1Ki 12:29 And he set the one golden calf in Bethel, and the other he put in Dan.*

Bethel means 'house of God'. It is the place Jacob named after dreaming of angels ascending and descending on a ladder reaching between Heaven and Earth (Gen 28:17). So again, someone who names themselves as a follower of the one true God sets up an idol in the house of God! Did you notice that those organizing the Climate Summit are encouraging leaders of churches to educate their people on the importance of supporting the climate change ideology – in other words, educate them on how to bow before the golden calf in the house of God! Hosea, the book about the spiritual harlotry of God's people - and the resulting judgement, mentions this sin:

*Hos 4:15 Though you, Israel, play the harlot and worship idols, let not Judah offend and become guilty; come not to Gilgal, neither go up to Beth-aven [contemptuous reference to Bethel, then noted for idolatry], nor swear [in idolatrous service, saying], As the Lord lives. Hos 4:16 For Israel has behaved stubbornly, like a stubborn heifer. How then should he expect to be fed and treated by the Lord like a lamb in a large pasture? Hos 4:17 Ephraim is joined [fast] to idols, [so] let him alone [to take the consequences].*

The scene above is from the movie Ten Commandments with Charlton Heston. What is interesting about it is that the Producers made the Golden Calf in the image of Hathor. Who is Hathor? Hathor is an Egyptian Sacred Cow Goddess.

**IS CLIMATE CHANGE NOT THE CURRENT SACRED COW OF THOSE WISHING TO BRING ABOUT THE GREAT RESET?**

***"Hathor, meaning "mansion of Horus" is an Ancient Egyptian goddess who personified the principles of joy, feminine love, and motherhood"***

<https://en.wikipedia.org/wiki/Hathor>

She was a sky goddess, in particular a solar deity, who gave birth to the Sun each day as a Golden Calf. This idol was often depicted with horns and gold disc on her head and presided over music, dance and joy, drunkenness, sexuality and foreign lands and goods. That last one links her to international trade and the judgement that is decreed upon Babylon in revelation 18. She was also the goddess who admitted ALL the dead into the underworld.

HAT means Mansion or Womb

HOR means Sun

Thus, Hat-Hor means 'Womb of the Sun' or 'Womb of Horus'...

Another interesting fact is that Hathor later became Isis.

**THIS** is the idol that Aaron fashioned at the base of the real Mount Sinai for the people of God to cavort around. Do you now understand what an abomination it was? The word of God tells us that it is the Creator of Heaven and earth Who brings rain in its season and Deuteronomy 28 explicitly describes that the withholding of rain, resulting in drought and famine is a consequence of turning away from serving Him!

*Deu 28:23 The heavens over your head shall be brass and the earth under you shall be iron. Deu 28:24 The Lord shall make the rain of your land powdered soil and dust; from the heavens it shall come down upon you until you are destroyed.*

Yet, current world leaders and the elite are pushing the green agenda and lifting up the golden calf of climate change and many sectors of the church is bowing down at the same altar. Instead of calling out for national repentance for sinning and turning away from our Creator, they are climbing the counterfeit Mount Sinai to repent for sins against mother earth! Now this is a perfectly normal thing for pagans to do BUT when those who claim to serve the true Eternal God climb on this bandwagon, it is an abomination in the eyes of Yahweh and will elicit swift judgement.

## Confirmations and Reminders

In my last message, I spoke of the smooth stone in the sling of the Son of David being used to wage war, and a friend, upon hearing that message, reminded me of another smooth stone which I had written about, one which acted as a plumbline. When I reread the post, I was astonished as the Spirit gave me another whole layer of meaning to what I had written – and this layer confirmed what I was hearing from the Spirit today concerning the golden calf and Sunday's summit. Firstly, let me remind you what I originally wrote in that post, before I share the new revelation I received as confirmation of this current post's subject:

*From 'Commotion in Promotion':*

*I had a very interesting thing happen at my house. A friend of my husband's was helping him with his car. He has an old car, the number plate of which says 'Petra', which means stone. And this old green car has been worked on for years. And just when you fix one thing, another thing breaks. Anyway, this man was helping my husband on his car, and then he decided he was going to pick olives off the tree at my gate. So, when I arrived home, there was this man up a very tall ladder, with yellow edged steps, picking olives. And a few minutes later, there was a great commotion. And we heard and saw that he had fallen off the ladder. And in the process, a big branch of the olive tree had broken off. Now, he didn't hurt himself too much because he landed on my flower bed. (The flower bed, though, didn't come off so well). But about half an hour later, this same man was driving that green car, moving it to another parking position in the garden, and he was accelerating and the accelerator got stuck. So, he drove straight into a tree in my garden. Now, the interesting thing about that tree is that it had a big round stone on a string hanging from one of the branches. And when he struck the tree, the plumbline string and stone dropped.*

*So I was amazed, "Oh, Lord, what is this about? I mean, all these things happening in one day". It was so strange. And the Lord began to speak to me about the fact that the green car represented those of His people (Petra being a living stone), who had continually been worked on, who had continually been brought words of counsel, words of realignment. Much, much time had been spent - and yet, there had been no significant progress or real change and they were just not getting anywhere. And there are those in the body of Christ who, during the time where they believe they're in a time of ascension and harvest, there is going to be a sudden demotion - as in a falling off of a ladder, a sudden crashing down. And while some are demoted, others are going to be promoted.*

*The interesting thing also is that a big branch was broken off the olive tree. Now, we know in Romans that Paul speaks about branches being broken off so that others could be grafted in. And those branches were broken off because of unbelief. The other message from this parable playing out in my garden is that, in a time where people are moving themselves into other positions in God's garden, or Body; in a time where they think they are in a time of acceleration and fast forward movement (initiated by their own actions), the Lord Himself is going to fight against them, put a sudden stop to their progress and there will be a sudden crash. The plumbline will drop. And there will be a removing of some kings and a setting up of other kings. It will happen suddenly, unexpectedly and very quickly. They will be brought to a complete halt.*

### Fresh Revelation and Confirmation

Connecting the events that unfolded that day in my garden to the Elijah Institute summit, those who ascend up the so-called Mount Sinai will come crashing down and find themselves as branches cut off. The green car named 'petra', meaning 'stone' represents those who name themselves by the Name of the Lord, who consider themselves living stones but are followers of the green agenda; they are those who worship the climate change golden calf. First in line to be cut off and cast into the fire are the pseudo-Christian leaders participating and promoting this green golden calf summit. They may consider themselves highly favoured to be singled out to be part of the small group chosen to ascend the counterfeit Mount Sinai, but their downfall and breaking off shall be swift!

I have mentioned before that the Word of God describes men as trees, so the tree which the green car collides into represents a man; the Son of Man! As these so-called believers participate in the acceleration of the green agenda during this summit, they put themselves on a collision course with the Man extending the plumbline, as described in the following verses:

*Amo 7:7 Thus He showed me, and behold, the Lord stood upon a wall with a plumb line, with a plumb line in His hand. Amo 7:8 And the Lord said to me, Amos, what do you see? And I said, A plumb line. Then said the Lord, Behold, I am setting a plumb line as a standard in the midst of My people. I will not pass by and spare them any more [the door of mercy is shut]. Amo 7:9 And the*

*[idolatrous] high places of Isaac (Israel) shall be desolate and the sanctuaries of Israel shall be laid waste, and I will rise with the sword against the house of King Jeroboam [who set up the golden calf shrines].*

Precious remnant, there is really nothing left to say on this topic, except TO REITERATE THAT JUDGEMENT IS ON ITS WAY and to share with you the counsel of the eternal Word of the Living God:

*1Co 10:14 Therefore, my dearly beloved, shun (keep clear away from, avoid by flight if need be) any sort of idolatry (of loving or venerating anything more than God).*
