

Response to the Stopworldcontrol video about Israel

[AUDIO VERSION](#)

This podcast is just going to be a brief one for the purpose of commenting on the video that is doing the rounds at great speed amongst both Christians and non-Christians. It's made by www.stopworldcontrol.com (David Sorensen). This very sincere man presents a well laid out case. The only problem is it is complete mixture! And the reason it is complete mixture is because he subscribes to replacement theology, which is the doctrine that the church has replaced Israel in God's affections and. Israel is no longer of any importance to God. I want to say to you, remember that we are living in days when even the very elect can be deceived. And if you do not study your Word, study your Bible thoroughly with the leading of the Holy Spirit, you will not be able to rightly divide the Word of God, and you will be easily deceived by people who present a

mixture of facts and error in a very convincing way, in order to lead people's conclusion in a certain direction and draw them away from the truth of God's Word.

First of all, in this video it speaks consistently of a 'political and military Israel', and that God did not have a plan to establish that. No, God did not, but He did give Abraham the delineation of a land that Abraham's seed would possess. Sorensen speaks that God had no plan for 'a strip of desert'. Well, that is an absolute lie. It's not in accordance with the Word of God. You need to write down these scriptures and look them up. I don't have time to read them all to you now. He speaks about from the 48th minute about what God said to Abraham when He called him out of Ur. It's absolute misquoting and twisting of the Scriptures. God says in Genesis 12:7, '*I will give this land...*' - this land that presently belonged to the Canaanites. At that time he said, "I will give you this land", speaking of geography, speaking of territory, speaking of the dust of the earth, mountains, rivers, valleys, deserts. God said to Abraham, His friend, "I will give you THIS land. Genesis 13:15 reiterates that. Genesis 15:7 and 18 also confirm that there was actual physical territory - and yet Sorensen says that God never intended there to be a nation called Israel. He also says that Israel means 'Prince with God' or 'child of God'. That is also not true if you know anything about Hebrew. I explained it in my last podcast, that any time a verb is joined to 'El', the name of God, it is God doing the verb. Israel means 'God will rule, God will prevail'. I explained in my previous podcast about Jacob wrestling and Israel having its Peniel moment with God.

So, when there is truth mixed with error, when there is mixture, you cannot follow the train of thought to the end and come to the same conclusion as the person presenting it. Please, please, please go back to the Word of God. Sorensen also says that the Scofield Bible was financed by the Rothschilds, and was spread by the Moody Bible Institute throughout America and then to the world. He then goes on to say that Jude betrayed Jesus because he wanted a political, military Israel. Well, first of all, it was Judas that betrayed Jesus, and they were existing on the earth long before the Scofield Bible was put into print. So, whether or not the Scofield Bible was set up in order to introduce an agenda of Zionism, is not got anything to do with why Judas betrayed Jesus. The Scofield Bible didn't exist at that time. They only had the Torah and the Prophets at that time. Sorensen also majors on the book of Galatians and forgets completely about the Book of Romans and Romans chapter 11. What does God say in Romans chapter 11? That God will NEVER cast Israel off, and Israel are the

descendants of Abraham because Jacob had his name changed to Israel, and Abraham was Jacob's grandfather. There is a natural seed and there is a spiritual seed, and the spiritual seed were the Gentiles who were grafted in, while the natural seed was veiled or blinded. The Word of God in Romans 11 speaks very, very clearly about this.

This is a very cleverly put together video, brandishing the terms 'political and military nation' and wrapping it up in certain carefully chosen scriptures from the Word of God to present a theology that is not scriptural and that is completely the opposite. There is a natural Israel, and there is the Jerusalem above - first the natural, then the spiritual. But if the natural can be dispensed with, as Romans 11 said, then the spiritual is on very shaky ground as well.

The enemy is very, very clever, and his deception is becoming more and more clever and more and more intricate and more and more twisted, because he wants to now deceive the elect. He wants to now deceive the remnant. He is doing the same old thing as he did in the Garden of Eden. "Did God really say? Did God really say? "And Sorensen very cleverly states, "What the Bible really says is such and such and such..." No, it's your interpretation of the Bible, Mr. Sorensen, because you believe in Replacement Theology (and I'm not one that normally goes around naming names and challenging people in a public broadcast). He then goes on to mention that someone (I think it was a lawyer or someone high up in Israel) speaks about having no mercy on Gaza because they fighting 'human animals'. This does not mean they are calling the Palestinians 'human animals'. The reason why they say they're fighting human animals is because when Hamas came and attacked the settlers in Israel, they ripped up women with child. They beheaded people. They tied people up and burnt them alive in piles. They tortured and gang-raped women until they broke their pelvises. That is why they are called 'human animals'. And for those who don't know, 80% of the Palestinian population voted for Hamas to be in power. So even if Hamas is a creation of the Israeli government in order to keep Hezbollah under control, the people who live in Gaza voted these brutal, bloodthirsty, war loving people into positions of power! They choose to hide amongst women and children and put their weapons stashes under hospitals and under schools, in order that when they are attacked, civilians are killed.

So, you have got to go back to the Word of God. People, you have got to go back to your knees in prayer and pray that you will not be deceived. Read Colossians 1:16. Let's read that together. Colossians 1:16 says this... Let's start at verse 15.

'He is the exact likeness of the unseen God. He is the Firstborn of all creation. For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers, all things were created by Him and for Him. He is before all things, and by Him all things consist'.

Did you hear what that verse said? Even principalities and powers were created by Him and for Him. Principalities were created FOR HIM. In order to bring about God's ultimate purposes for the earth, for His people, for creation, principalities and powers were created - and God can use His enemies to bring about His will. If David Rothschild and other members of the elite financed the creation of the nation of Israel using their own money, then what fools are they, because they have been used by the hand of Almighty God in the furthering of His purposes in the earth.

God turned the heart of Pharaoh! He hardened the heart of Pharaoh in order to bring Himself greater glory. And it was God that caused Pharaoh to thrust His people out of Egypt into freedom. God's plans are mysterious and higher and way above our plans, and we have to understand that He rules. He is before all things. He is El Elyon, the Most High God. Principalities and powers, and those who serve principalities and powers, and those who serve satan will find themselves ultimately bringing about what is written, and God will get ALL the glory, and every knee shall bow, (including that of David Rothschild and every other member of the elite) at the name of Jesus; Yeshua. EVERY knee will bow.

You need to go back and read in the book of Genesis, from Genesis 12, when God called Abraham, through to about Genesis 16. Read what God said about the land he would give Abraham's seed. It is not true what David Sorensen says - that it is not about genetics. It is both about genetics AND the grafting into the olive tree. It is both about the seed of the son and the seed of the serpent. I think I've probably said enough for now, but you need to pray that the Spirit of Truth leads you into all truth, so that you can rightly divide the Word of God. There is so much deception, and the enemy has ratcheted up the level of deception. When God gave Abraham land, geographical land

that HE delineated with geographical boundaries, it does not say anything there about a 'political and military state', Mr. Sorensen. It is written in the Word of God. And you, sir, with your replacement theology, are raising up a standard against what is written in the Word of God, by your selection of certain scriptures and your muddy translating and interpreting of them. Yes, there IS a heavenly Jerusalem and yes, there IS an earthly Jerusalem, but Jesus is not going to put His foot on the mountain of the heavenly Jerusalem. He's going to put His foot on the Mount of Olives at the earthly Jerusalem. The Antichrist will rule from Jerusalem for a short season, until his time is done and his judgment comes (and it IS written).

I do just want to say this - Be very aware when you read any form of commentary or watch any video, that is coming out of the events that are unfolding in the Middle East at the moment, that the person's analysis will be based on and filtered through their belief system. For instance, if a person believes in pre-tribulation rapture, they will not equate what is happening in the Middle East & the gathering of the different armies with anything to do with Psalm 83 or Ezekiel 38, because people who believe in pre-tribulation rapture believe that Ezekiel 38 happens AFTER they have gone and left this earth. So therefore, they pass all the events and news happenings through this filter, when they analyze it. If a person believes in replacement theology, they will do the same thing.

So once again, there is a warning to be very careful of what you are consuming from social media at present, because you can come into a place of utter confusion. The counterfeit looks very close to the real. A counterfeit \$100 bill looks very similar to the original, and only if you have MINUTELY STUDIED the original, can you pick up the areas that identify the counterfeit. And so, it is really wisdom to spend most of your time before the face of the Lord and with your nose in the Word of God saying, "Spirit of Truth, lead me into all truth?" I had a quick flash vision of the Holy Spirit taking a needle and thread and a Bible and making a stitch next to one verse and then lifting the needle, paging some pages back from the New Testament to the Old Testament, catching the thread in the page next to a scripture in the Old Testament, and then turning some pages and catching the needle again. He was sewing together different scriptures from different places in the Old and the New Testament, to bring a cohesive train of thought and an understanding and a wisdom. Be able to rightly divide the Word of Truth. Ask the

Holy Spirit for Him to do this for you in these days. And pray, pray, pray that you are not deceived!

War is a terrible thing and the first casualty of war is truth! Do not enter into arguments with other people concerning 'who did what'. It is highly unlikely that all the facts are being presented on social media. This is why God said to pray much in the Spirit. Hold your peace when provoked and go straight back to the Lord and ask Him to explain to you what is happening because HE alone sees it all.

Selah.
